FORWARD

Now that our people have emerged from the serious war years and have returned to that normal form of life which Americans have always enjoyed, we the members of the 1948 Capitoline staff have thought it very appropriate to change to a more frivolous type of theme.

Hence, we are using the circus as a pattern on which to construct the record of the past year in high school. With this in mind let us step inside the big tent and review the many attractions which are in store for us.

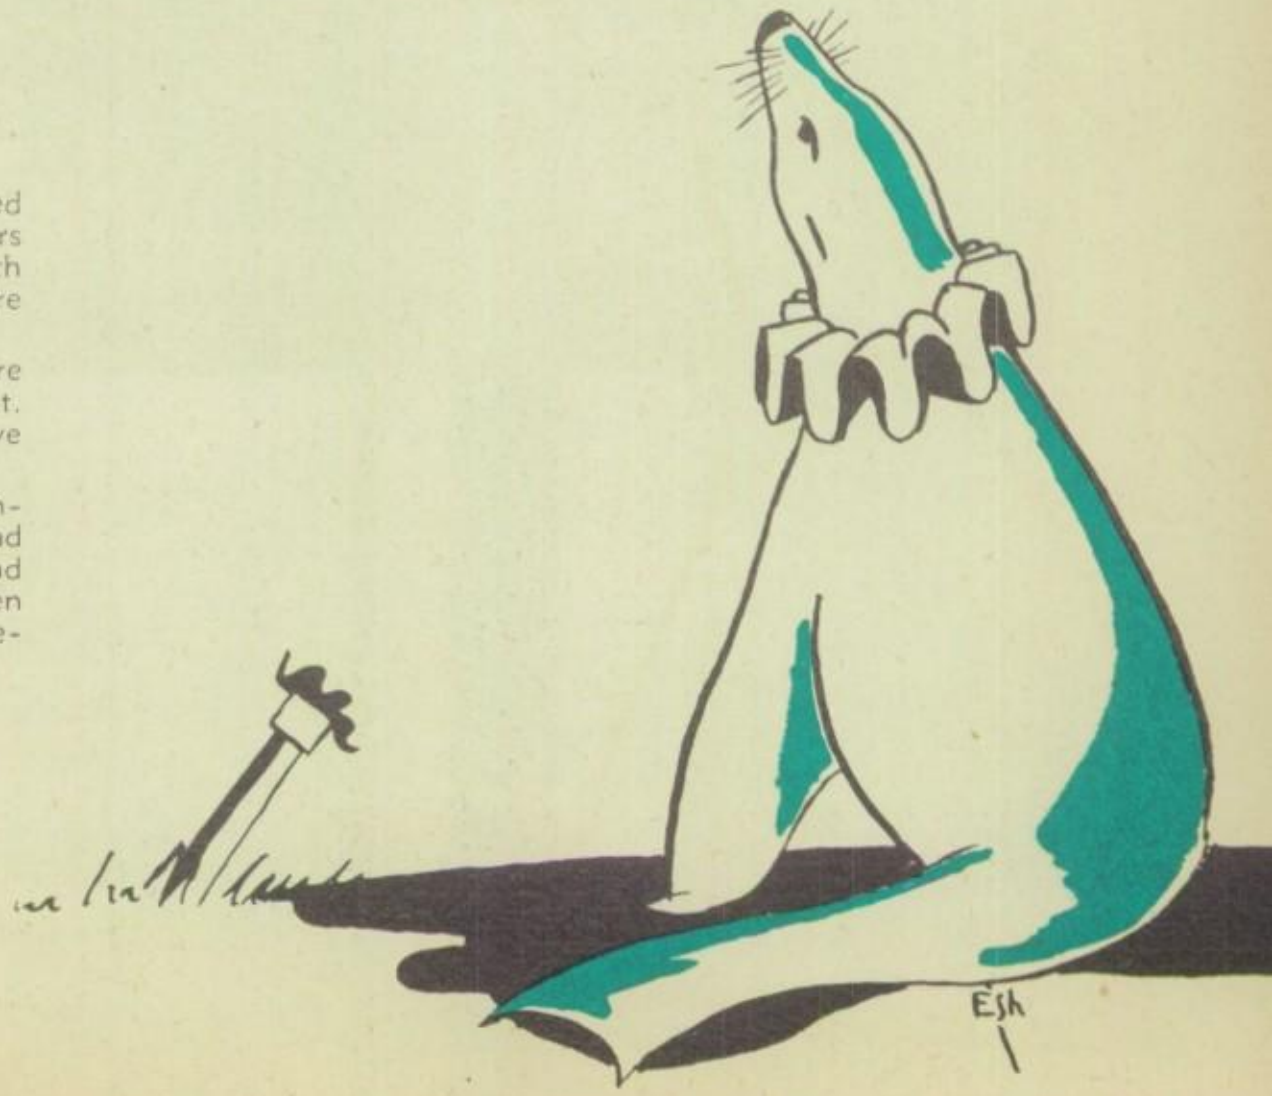
As in the old days when the big circus pulled out of a small town and the favorite performers were talked of for a long time after—so it is with the top notch performers of our senior class here in Springfield High School.

The individuals pictured on these pages were elected by the Senior Class by popular ballot. During their four years in high school they have shown abilities as indicated by their titles.

We sincerely hope that before the great accomplishments they achieved here at S.H.S. have had a chance to fade into the forgotten past, these and many other stars of our great show will have risen to responsible positions in the great world before us.



Miss Louise Welch

Dedication

Seniors of the 1948 class dedicate this 1948 Capitoline to Louise M. Welch, teacher of high school youth and head of her department.

It is dedicated to this teacher who worked with her students to waken them to spiritual living, to living mentally, to living creatively.

It is dedicated to the teacher who first of all taught quietly but clearheadedly in the classroom, believing that character is taught when students are led to strive to develop their latent potential selves.

It is dedicated to a teacher who commanded the respect of students because she never gave a "snap" course yet sat down to the desk with the discouraged boy or girl who was ready to quit fighting his or her slowness, dullness and indifference, and worked with that youth until he and she saw the value of making full effort.

It is dedicated to the teacher who was realistic enough to help secure better salary schedules for her fellows from a society grudging the teachers a living wage.

It is dedicated to the teacher who voluntarily left the profession when her professional devotion advised "I have no longer the strength that a teacher needs to endure the nerve and physical drain and strain that teaching boys and girls demands of every teacher who builds into youth the intelligence and will to meet their world with independence, courage and realistic constructive insight.

The 1948 Capitoline is dedicated to a teacher who was womanly, femininely delicate and gentle, but strong and enduring as the feminine heroines acclaimed in Biblical and literary history. From such teachers are caught and imbedded the ideals of citizenship that will make the world safer and saner.

ADMINISTRATION

Mr. Davis returned to Springfield High School looking rested after a years leave of absence. During the summer he had prepared a smooth-working schedule of classes. Each student and faculty member knew exactly what program he was to follow from the opening day of school.

It soon became apparent to students as well as faculty that Mr. Davis was determined that nothing would be allowed to interfere with the important work of the classroom. Assemblies were held to a minimum, and only offered when a worthwhile program had been prepared.

An innovation this year was the practice of having sectional faculty meetings during the instructors preparation period. This did not disturb classes but brought teachers together in small informal groups for discussion of vital educational policies.

Mr. Davis has not only encouraged students to do good work and continue the enviable scholastic achievements of former graduates, but also has insisted that classroom procedure be modernized to keep pace with the growing needs of the boys and girls who attend SHS.

Under the capable leadership of Mr. Davis, the students of Springfield High School can look forward to many more highly successful years.

LYMAN K. DAVIS
PRINCIPAL

ROY A. WENTZ
ASSISTANT PRINCIPAL

All of the students at SHS come into contact with Mr. Wentz at some time during their high school days.

Whether this contact is strictly for discipline or for friendly relations makes no difference to "Daddy," for he can solve all problems and still manage to command the respect of the student body.

Mr. Wentz has been handling the job of assistant principal for a number of years. During this period the school has earned a fine reputation for good student conduct in assemblies and on the campus.

With Mr. Wentz remaining in this capacity, it is merely a formality to say "this fine record shall continue in the future."

vidual problems and supervise the work of the study hall.. The counselors build an accumulative record of each students progress from grade school through high school. These records are kept on file for later use as character references.

Many recommendations and references for colleges and jobs are written by the counselor. Through the study hall school publications are sold, donations are taken and announcements are made. Besides the general activity of the study hall, the counselors also act as chaperons for dances and notify students when jobs are available.

It is very easy to see that the study hall counselors make up an integral part of our school.

STUDY COUNSELORS

When a student enters Springfield High School, he is assigned to one of the four study centers. With the school divided into four units this system gives the student the advantage of a small school and allows him to be with one counselor for four years and thus obtain the advantages that would come from counseling with someone who knows the students' record and needs.

The girls have two study halls under the supervision of Miss Lomelino and Miss Hager and the boys have two study halls under Mr. Gwin and Mr. Petefish. The counselors help to plan out the student's program, so that he will have the necessary credits to graduate. They advise students with their indi-

DEANS

The welfare of the student body of Springfield High School hinges greatly on the work of our three deans: Miss Bundy, Dean of Girls, and Mr. Gwin and Mr. Petefish, associate Deans of Boys. These three important persons plan most of the programs of some sixteen hundred students. The two boys' study centers are directly supervised by Mr. Gwin and Mr. Petefish. Besides the main problem of making out programs to please each student, the deans secure information concerning the requirements for the different colleges and give all examinations which are required by certain colleges for entrance. The deans also assist students with their individual problems and contact parents if a conference is necessary.

MISS DOROTHY BUNDY — DEAN OF GIRLS

Miss Bundy does not act as a study hall supervisor, but has numerous other duties. She is administrative assistant and co-ordinator of student activities. Under these large titles come such work as arranging for "college days," P.T.A. programs, and being advisor for the Student Council as well as helping with class activities.

The deans of boys also have some "outside" work in activities, with Mr. Petefish taking charge of the Rifle Club and Mr. Gwin piloting the Delphics.

Without these three very important individuals, the running of SHS would be difficult.

STUDENT

THE STUDENT OFFICE IS ALWAYS BUSY

STUDENT OFFICE

"Maybe they can tell you in room 2" is one of the most familiar phrases around SHS. It is in this office that all student needs and problems are taken care of by those two busy ladies, Miss Aurelius and Miss Robb. Miss Robb has charge of all attendance. It is she who checks all excuses and sends out cut slips to those people who thought they wouldn't be missed. Miss Aurelius helps plan the schedule of classes for each semester and handles the candy counter. Between them they do the counter work consisting of lost and found, telephoning, and tickets. When the nurse is not at school, they even bind up cuts and administer aspirin for headaches. The school post office system works through this office. The slips announcing meetings and requesting services are delivered by office assistants each period.

NURSE AND CAFETERIA DIRECTRESS

If you have ever become ill or hurt yourself, you have met Miss Southwick, the school nurse. She is always on hand to end your pains and sympathize with you. Each year Miss Southwick gives eye tests and stresses the importance of preventing disease. Through her efforts the school has made use of the tubercular skin tests. The person responsible for the nutritious meals served in the school cafeteria is Miss Devlin, head of the cafeteria staff. The meals, besides being well planned, are low priced because of the help of the federal and state funds.

SERVICE

MAIN OFFICE

Upstairs in the pleasant main office are Miss Atkins and Miss Davis, SHS's two secretaries. It is Miss Atkin's duty to supervise book rentals, grade transcripts to colleges, records of credits, summer school and diplomas. In other words, Miss Atkins is the custodian to all the records that are kept by our school.

Her partner, Miss Davis, handles all correspondence for the school besides making faculty appointments, renting the auditorium, and welcoming visitors. The main office also houses the teachers' mail boxes and bulletin board and the clock which controls the bells.

So in spite of the fact that we as students don't come in direct contact with the main office very often, it is easy to see that a great amount of very important business is transacted there.

OUR EFFICIENT MAIN OFFICE FORCE

LIBRARIAN

The capable and friendly person who greets you as you enter the school library is none other than Miss Zimmermann. Her job is to try to make the school conscious of its library, show the students how to use it, and have the material most wanted at hand. At present Miss Zimmermann is enlarging the biographical, travel and fiction book section. Also this year she has added a vocational file to the many other helpful features of the library. Although the job of librarian is a busy one, Miss Zimmermann took time out to present the entertaining program that was given at Christmas time.

Under such a charming individual it is only natural that our library is rated among the very best of high school libraries.

The English department of Springfield High School is trying to meet the needs of students in the basic skills of reading, speaking, listening and writing. Students are taught to gather reliable information, to find facts, to think clearly, to work cooperatively, as well as to build a sense of values that are true and less materialistic than those they would pick up without training. These are hard lessons to learn, but vital.

Basic goals are set up for each semester from 9[1] through nineteen successive courses. There is a shift becoming more marked each year.

Increasing emphasis is on modern civilization. In seeking to study the environment in which we live today and the problems of contemporary life, students are consulted about their observa-

History is being made faster today than during any period in man's existence. Social sciences are putting special emphasis on current history because high school students as citizens need to understand problems and issues of their day.

It is important to develop the habit of seeking unbiased information on controversial issues and to arouse students to think for themselves. A continuing interest in problems of public concern is very important.

Particular attention has been given to the United Nations and its constructive agencies as a constructive means of international action. Ten juniors and seniors participated in the National Student Contest for secondary schools dealing with the United Nations.

In world history, geography, American history, world problems, and civics material is provided to realize these objectives.

The science department of Springfield High School offers a varied list of subjects to those students with scientific aspirations. For freshmen the course includes one year of general science. Sophomores have a choice of biology, botany or zoology, junior and senior students may take one year of physics, one year of chemistry, or one semester of botany and one semester of physiology.

A study of science gives students a trustworthy method for the discovery of new truths and an understanding and appreciation of plants and animals that they constantly see. The program of the department was varied this year as usual. A group of botany students chartered a bus and traveled to St. Louis to visit the botanical gardens in Forrest Park.

MISS RONCA'S CLASS READS SPANISH LESSON

Students are becoming more interested in language courses. They realize that it is not only a great vehicle of thought but an efficient instrument in forging bonds of better understanding in international relationships.

The Latin instructors stress the need of a firm classical back-ground, presenting four years of the language. The first year course consists of short lessons in grammatical constructions. The second, third and fourth years offer the writings of Caesar, Cicero and Virgil. The study of Roman life and heritage is stressed throughout each course.

Miss Mathews in charge of French classes encourages her students to give plays, to speak and sing in French. In the Spanish class, Miss Ronca accentuates our relationships with the South American people. Emphasis is on reading, writing and speaking Spanish.

The mathematics department is one of the most important departments in the school and under its capable teachers has maintained a remarkable record in student education. Students taking college preparatory courses are required to take one year of algebra and one year of plane geometry. Many colleges require students to pass college board exams or various types of exams of their own. NROTC tests and other special types all include mathematics as an important subject. On account of crowded conditions, competition is very keen, but as a result of tests, students from the class of 1947 are attending such colleges as California Institute of Technology, Leland Stanford, Yale, Dartmouth and Princeton as well as many midwestern colleges.

The students from the math department also maintain one of the school's most interesting show cases.

FINE *and* HOUSEHOLD ARTS

ART CLASS HAS INTERESTING EXHIBIT

FINE ARTS

Every individual has some idea of the beautiful. Every child has some creative ability. It is the province of the art teacher to bring that power to the surface. This is done by supplying many types of art experiences, together with certain methods and techniques. Students are acquainted with the wider field of art through pictures, talks and gallery visits.

HOUSEHOLD ARTS

The Home Economics Department has the important job of training future homemakers. Capable instructors handle courses that deal with every phase of home management and daily life; sewing, marketing, child care and development, home nursing, family relations, preparing and serving meals, personality development, manners and decorating. The department often exhibits in the main hall attractive work done by students.

SHOP COURSES

The industrial Arts Department of Springfield High School plays an important part in the training of future skilled workers. Advanced students, who attend class for three hours each day, receive valuable trade training under competent instructors.

Instruction in many divisions of the industrial arts field is offered. Two shops, the Vocational Machine Shop and the Industrial Arts Machine Shop are always popular. The General Shop has many different sub-divisions which offer training in more specialized fields. The courses cover a wide variety of needs and professions: Electrical work, metal work, blueprint reading, auto safety, woodwork, printing and mechanical drawing. Some of these shops, such as the printing division, furnish the school with many articles as a part of their instruction program.

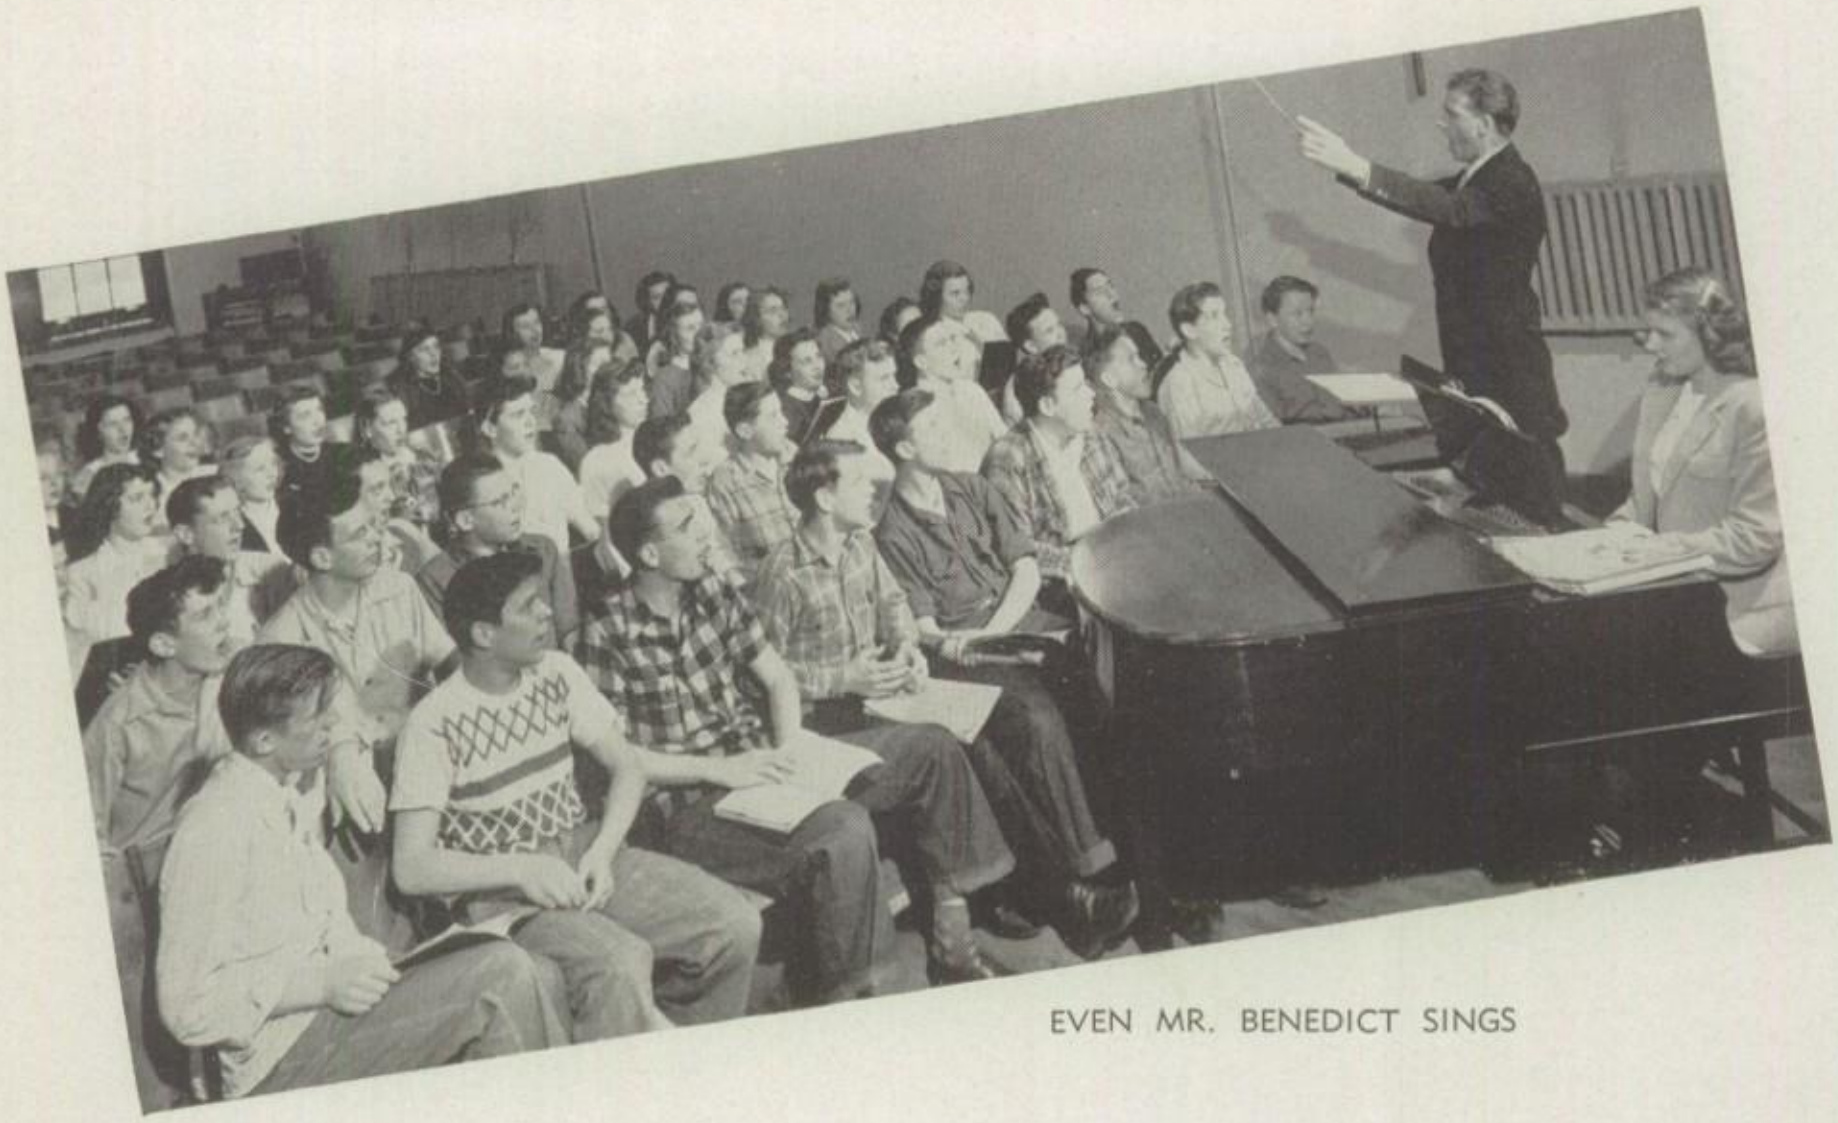
MUSIC



EVEN MR. BENEDICT SINGS

It is the purpose of the music department to develop the students' talents and appreciation for music. Springfield High School offers a wide selection in courses concerned with study in the musical field.

Mr. Benedict's chorus classes undertake the learning of various types of songs, classical and popular. Twice a year the sophomores present cantatas which are greatly enjoyed and appreciated by other students and adults alike.

Special musical activities are offered by the school. The various choirs are under the capable direction of Miss Hausen whose a cappella choir is always popular. Musical instrumentation is under the direction of Mr. Johns, who conducts the orchestra, and Mr. Patrick who conducts the band. Both of these groups have been outstanding during the past year and well deserve the praise they receive for their contributions to our school's fame.

For those who wish to learn more about musical fundamentals, classes are offered in harmony and music appreciation.

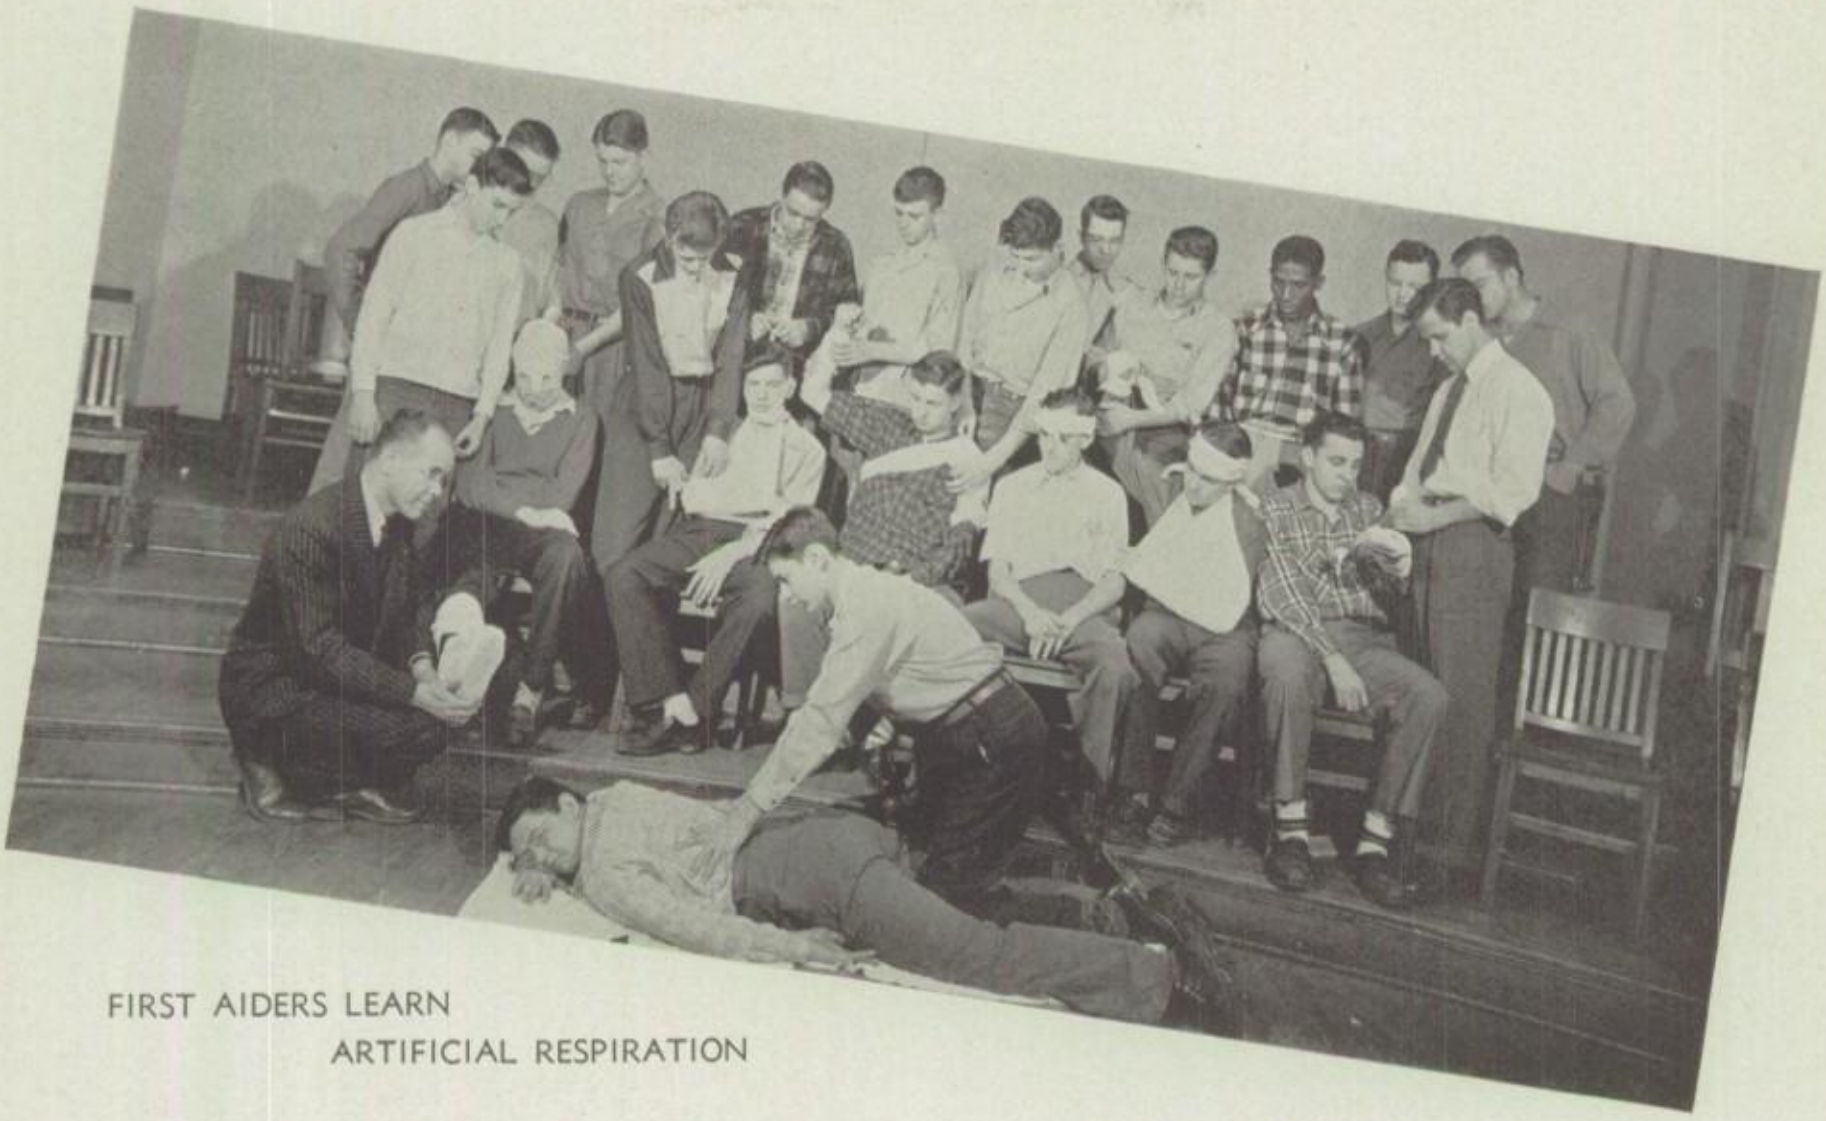
PHYSICAL EDUCATION



FIRST AIDERS LEARN
ARTIFICIAL RESPIRATION

The boys and girls of Springfield High receive a well-rounded gym training. For boys interested in sports, the athletic department offers football, basketball, track, baseball, tennis and golf; but for those not so proficient in these activities the three hours of gym per week give them a chance to build strong, healthy bodies and a chance for relaxing recreation in a hard school day. The boys play volley ball, basketball and have tumbling in the winter and when spring comes they play baseball outdoors.

Miss Mather conducts the girls' gym. Their activities include vigorous exercises and posture adjustments. The competition between classes in the winter kick-ball and spring volley-ball tournaments often become spirited. The before and after school gym classes held for girls taking five subjects specialize in posture exercises. There is also quite a lively interest in the square dancing instruction.

COMMERCIAL

SECRETARIES OF TOMORROW

With more and more students entering the fascinating field of business, Springfield High School has enlarged its commercial department to give these people a sound background.

The main goal of the department is to prepare the student for his life in the business world. A variety of courses is offered, including typing, shorthand and bookkeeping. The department also offers a one year course in typing for students interested in it for their own personal use. This course includes instructions for setting up themes and ordinary letters. A course in Junoir Business is given to freshmen as an orientation course for vocational or personal use.

One of the most interesting subjects is the salesmanship course taught by Mr. Ralph Mason. Under this plan students study academic subjects in the morning but at the end of fourth period they leave school to work in downtown stores. Full credit as well as wages are given to the workers.

We are sincerely proud of our January graduates. In spite of their size, they always showed an extraordinary amount of school spirit and class interest.

The mid-year graduates had their share of athletes, leaders, and scholars. Nine members of the class were honored by acceptance in the National Honor Society. Obviously the most outstanding accomplishment of this class was their highly successful class play. This was the first time in the history of the school that a mid-year graduating class staged a class play.

With such leadership ability and inexhaustible energy this group of grads will surely be unconquerable in their next phase of life—whether it be in the business world or in advancing their education in our colleges and universities.

CLASS OF 1948

Norma Babbs

Bunny's sunny smile and soft voice made her one of the most likeable girls in the class.

Student leader, G.G.

Charles Bacon

Charles' winning personality and humor made him well-liked here at SHS.

Mary Lou Barr

Mary Lou doesn't say much about herself, but we have a good idea the boy in the red convertible will play an important part in her future.

Betty Brady

After studying Home Ec. at Bradley, Betty is planning to become an interior decorator. This training will come in handy when she plans her own home.

Cafeteria Council, secretary; Theta Rho Girls, vice president, president; Beaux Arts Court.

Jerry Byers

Jerry's ambition is to make the boys swoon when he croons. Maybe the boys can't be swayed by Jerry's beautiful voice, but the girls all sigh when he sings.

Wranglers, treasurer; Junior Class Secretary; Student Council; Pill Rollers; DeMolay; "Love is Too Much Trouble."

Roger Allan Chapman

"Roger's" favorite pastime was playing football, but he's going to be a brain surgeon. He's a great guy!

Wranglers; Pill Rollers; DeMolays; Freshman Class President; Prom Chairman; Athletic Scholarship Society; "Love is Too Much Trouble"; Football 1, 3, 4; Track 2, 3, 4.

Dale Chere

Don't try to double park or run a stop light in the future because policeman Dale will be sure to run you in.

Edward Cox

Ed's far future plans include construction work, but the immediate future will find him "going with the one and only Doris Mae."

DeMolay.

Shirley Davenport

Shirley is going to enter the fascinating study of psychology after leaving SHS. Here's wishing her all the luck in the world.

Philos; Orchestra 3, 4; Theta Rho Girls, marshal; Beaux Arts Court.

Nancy Denes

Nancy's activities should be a help to her when she enters her chosen field of Journalism. She was one of the sweetest girls in the class.

Student Council; Jr. Les Bas; Sr. Les Bas; Jr. Capitoline Staff; Sr. Capitoline Staff, Junior Photograph Editor; National Honor Society; Prom Court; Beaux Arts Court.

Marion Dixon

Tiny Marion made a lovely DeMolay queen, yet she had some very serious ideas on world problems which she expressed aptly.

Jr. Les Bas; Sr. Les Bas; Sid Pip Sub Deb; Entre Nous Sub Deb; National Honor Society; Prom Court.

Mary Durham

Mary's unusual hobby of sketching and her talent for art will make her famous as an illustrator of children's books. She'll be missed here at SHS.

Student Council; Prom Court; "Love is Too Much Trouble."

JANUARY SENIORS

Dorothy Eades

Dot lists her ambition to be a housewife but will take some time off to go horseback riding and ice-skating.

Beta Theta Rho Girls, warden.

Helen Elder

Helen plans to be a secretary and her favorite pastime is having a good time. The question is where she got her nickname "Elmer."

Harley Field

When Harley isn't fulfilling his ambition of law enforcement, you will find him either hunting or fishing.

DeMolay; Football 1, 2, 3, 4; Track 2.

Allan Edwards

Al contributed much to the SHS band with his A-1 flute playing. We'll miss seeing him at the football and basketball games.

Band 1, 2, 3, 4.

William Farley

Tall, Blonde, and handsome describes Bill. He set many a feminine heart fluttering.

Pill Rollers; DeMolay; Football 1, 2, 3, 4; Track 3, 4; Basketball 3, 4.

Joann Glossop

In the time Jo isn't either sleeping or having a good time she's going to be a secretary. Her personality will be an asset to any office.

Jr. Les Bas; Sr. Les Bas; Student leader, G.G.; National Honor Society.

Charles Graham

Red haired Charlie plans to be a mechanical engineer in the future with a sideline of golf. He's one of the nicest guys in the class.

Delphics, secretary; DeMolay; "Love is Too Much Trouble."

Barhara Hall

Barbara had very little to say about herself, but whatever she does, she has our best wishes for success.

Wayne Hensler

Blonde Wayne had quite a winning way with the accordions and all the girls, too.

Rudolph E. Haas, Jr.

Rudy lists his favorite pastime as dating. It's easy to understand since he was seen at every social event with a different girl in tow.

Delphics; DeMolay; "Love is Too Much Trouble."

Janis Headrick

After attending Chillicothe Business College, Jan wants to be a secretary for a while! We couldn't guess what her plans are then, or could we?

Prom committee; Class play committee; Prom Court; National Honor Society.

Walter Hodde

Wally wants to be a big time politician. Someday we may be calling him Mr. President.

Acton Shelton

Bud was the "live wire" of every occasion. His wise cracks could be heard anywhere and everywhere. His ability in sports will help him when he becomes a coach.

DeMolay; Wranglers; Basketball 4.

Delbert Smith

Delbert was lots of fun to be with, as his large feminine following would tell you.

Ray Smith

Ray was another fellow who kept his interests a deep dark secret but we wish him luck in whatever he may do.

Ann Snyder

The part Ann played as the mother in "Love is Too Much Trouble" proved to everyone what a swell actress she is.

"Love is Too Much Trouble"; C.A.P.

John Sommerville

John, whose future will find him traveling in the four corners of the earth, is called the Scotchman. Does anyone have an explanation?

I.A.F.D.A., president.

JUNE SENIORS

PRESIDENT
Patricia Michelman

VICE PRESIDENT
Nancy Malkus

SECRETARY
Janet Colin Schuck

TREASURER
Rozanne Overaker

The "cooties" of 1944 are now a proud class of graduating seniors. The June grads have worked diligently and successfully in scholarship, sports, and general school activities. The gratifying number of National Honor Society members from this class proves scholastic ability. Many of the boys have been definite assets to successful SHS teams. The school activities, such as the class play, speak for themselves as decisive accomplishments.

What is perhaps even more gratifying is the fact that the girls as well as the boys have joined in so energetically to make the accomplishments of their class remain as a standard for following classes.

For the first time in the history of SHS all class offices were taken over by girls. These officers with the cooperation of their class have now completed their last successful year of high school.

To the entire group of two hundred and thirty-seven June grads, we wish the best of luck and the same endless success that they have experienced here at SHS.

CLASS OF 1948

Dorothy June Aarup

We don't know exactly what Dot's plans are, but we're sure she'll be successful at whatever she undertakes. Here's luck to her!

Philos; Distributive Education Club.

JoAnn Abbott

Quiet, shy Jo plans to become a medical technician after she studies for her degree in science. Such a swell gal will be an addition to any field.

Jr. Les Bas; Senior Banquet Committee.

Barbara Barnes

Barnesy is a salesgirl now but she is planning to climb in her profession to become a buyer for a large department store. We know the store will offer a fine selection with Barbara doing the buying.

Student leader, G.G.

Patricia Barr

Pat was a very active girl in both school and outside activities. Her future ambition is to be a nurse and we know she'll make a wonderful one.

Jr. Les Bas; Sr. Les Bas; Sid Pip Sub Deb, treasurer; Prom Committee; "Slice It Thin;" Student Day Counselor.

Mike Bartolomucci

Maybe Mike will be a second "Babe Ruth." He's going to be a professional baseball player so when we see his picture in all the sports sections, we can say we knew him at good old SHS.

Football 4; Baseball 2.

Katina Bartsokas

"Tina" was one of the hard working co-art editors of the Capitoline staff. She's going to continue in the art field after graduation.

Jr. Les Bas; Sr. Les Bas; Jr. Capitoline Staff; Sr. Capitoline Staff, co-art editor; Rainbow Girls; Sid Pip Sub Deb, president.

Robert Beals

Robert has a wonderful personality as well as an admirable intelligence. We look for his future success in either music or as a historian.

Charles F. Bentler

Fritz confesses an interest in the Navy and has already backed up this interest by joining the Naval Reserve.

Bob Berning

We'd make a guess that Bob received his nickname "Rapid Robert" because of the outstanding records he has made in track.

Wranglers; Pill Rollers, vice-president; Track 1, 2, 3, 4; Football 1, 3, 4; Basketball 1 2.

Doris Bivin

Tiny Dodie was the spark of all activities and the life of every social event.

Orchestra 1, 2, 3, 4; Charter Sub Deb; Entre Nous Sub Deb, secretary; Sept Huere Sub Deb, president; Beaux Arts Court; Prom Committee; National Honor Society; Prom Queen; Class Play, prompter.

Ralph Boesdorfer

Satisfying Sonny's appetite takes up most of his time so it's lucky that a certain little miss can cook. He plans to attend J.C.

Betty Bomke

Friendly Betty was the active president of the Distributive Education Club. The coming years will find her as someone's wife, living on a farm.

Distributive Education Club, president; Student leader, G.G.

CLASS OF 1948

Gloria Bonnin

Quiet, unassuming Glory was one of our best students and we know she will make a success of medical technology.

Jr. Les Bas; Sr. Les Bas; Jr. Capitoline Staff; Adv. Orchestra 1, 2, 3, 4; National Honor Society.

Patricia Booth

Pat was lover of all sports especially swimming and sailing. Her wise cracks kept all her classes wide awake.

Philos, vice-president; Charter Sub Deb, secretary; Pic Wic Sub Deb; Sept Huere Sub Deb; Beaux Arts Court.

Martha Jean Bradley

"Mart's" beautiful voice was a credit to SHS. She will go far in the music world.

Modern Language Club; Jr. Les Bas; Sr. Les Bas; Senator Staff; Mariners, president; A cappella 3, 4.

Jackie Braverman

Jackie's theme should be "California, Here I Come," for that is just where she's going next year—to attend the University of Southern California.

Jr. Les Bas; Sr. Les Bas; Modern Language Club; "Slice It Thin."

Jack Brooks

Jack is a poker enthusiast and from all reports is quite an old hand at it. The future will find him behind a desk on Wall Street issuing stocks and bonds.

Delphics; National Honor Society.

Orville Eugene Brooks

Orville is planning to take his swell self into the trade of a craftsman. We here at SHS will guarantee he'll do a grand job.

Don Brown

Don entered into all activities with a quiet energy that really got things done.

Wranglers, treasurer; Pill Rollers; Eagle Scout; Track 2, 3, 4; Basketball 2, 3, 4; Golf 3, 4.

Gale Brown

Handsome Zeke was quite an important man during his four years at SHS, as his activities prove.

Wranglers; Student Council; Football 4; Basketball 1, 2, 4; Pill Rollers.

Virginia Bunch

Lovely Virginia made many friends, both among boys and girls in her years at SHS.

Barbara Bunn

Barb didn't enter SHS until her junior year but she soon got in the swing of things and we saw her smiling face at every dance.

Sr. Les Bas; Rainbow Girls; Beaux Arts Court; National Honor Society.

Hazel Belle Burke

"Billie" goes in for athletics. Because of her love for children, she will certainly succeed as a social worker in child welfare.

Adv. Orchestra 1, 2, 3, 4.

Marjorie Cantrall

Sports-loving Marje's favorite pastime on week-ends is riding her horse around her spacious farm. She's Carleton College bound next year.

Jr. Les Bas; Sr. Les Bas; Entre Nous Sub Deb.

JUNE SENIORS

Charles Cappellin

Music is very important in Charlie's present and future. Some day he'll be playing the French horn in a big symphony orchestra.

Wranglers; Orchestra 1, 2, 3, 4; Cafeteria Council, vice-president; DeMolay.

Wayne Carrier

"Double Trouble" is one of the nicest guys at SHS. He always had a friendly hello for everyone.

Wranglers; Pill Rollers; Modern Language Club; Jr. Capitoline Staff; Cafeteria Council; DeMolay; Band 1, 2, 3; Track 3, 4; Cross Country Team 4.

Wendell Carrier

"Trouble's Double" has a warm personality that made him as popular as his brother, Wayne.

Wranglers; Pill Rollers; Cafeteria Council; Track 3, 4.

Anna Cawley

If you ever want to talk to vivacious Ann you'll probably find her pursuing her favorite pastime—dancing! dancing!

Student leader, G.G.; Springfield Day Committee.

Wanda Jean Chandler

Jeannie had a fine reputation at school for being a good mixer and a likeable girl. She'll be a success at whatever she does.

Joan Christen

After her fine high school record, we know Joanie will be a credit to the white uniform of a trained nurse.

Jr. Les Bas; Sr. Les Bas; Adv. Orchestra 1, 2, 3, 4; Nu Phi Nu, recording secretary; Springfield Art Association.

Jane Clark

Dark-haired Jane made many a fellow sigh. She's another gal headed for the Commercial Art field in which we know she'll excel.

Jr. Les Bas; Sr. Les Bas; Jr. Capitoline Staff; Student Council 2, 4; Sid Pip Sub Deb, president; Sept Huere Sub Deb; Beaux Arts Court; Prom Court.

Roger Claude

"Hawk" received his nickname because he likes falconry. This may be the reason he wants to be a forest manager.

Wranglers; DeMolay; Nature League; Audubon Nature League.

Ruthanne Claypool

Tiny Ruthanne's the swell gal who always had a friendly "hello" for everyone, backed up by a beaming smile.

Jr. Capitoline Staff; Sr. Capitoline Staff, circulation manager; Advanced Orchestra 1, 2, 3, 4; Senior Banquet Co-chairman; Rainbow Girls.

Joan Elizabeth Coe

Joanie is very sweet, cute and full of fun. She wants to become a housewife and from where we sit she won't have any trouble.

Rainbow Girls, Worthy Adviser; Top Deck.

Tom Coerper

"Curp," a transferee from Whitefish Bay, Milwaukee, has a winning personality that soon made him quite a well-liked guy at SHS.

Delphics.

Norma Cox

Norma was the kind of gal you just like to be with. Besides being lots of fun, she could also skate, bowl and play the piano.

Rainbow Girls; Student leader, G.G.

CLASS OF 1948

Jim Crawford

Jim is the quiet type, well-liked by all his friends. He is planning to go to J.C. to study Herpetology.

Jean Crump

One of our most active Seniors, with interest in every field, sweet Jean still managed to lead an active social life.

Philos, president; Jr. Capitoline Staff; Sr. Capitoline Staff, senior editor; Senator Staff; Charter Sub Deb; Entre Nous Sub Deb; National Honor Society.

Robert Darden

We could always count on Bob to give a clever announcement in assembly. He was one of the key men in the orchestra all through high school.

Springfield Day Co-chairman; Adv. Orchestra 1, 2, 3, 4; Orchestra Council, president; Springfield Symphony Orchestra; SHS Senators of Swing.

Audrey Jeanine Davis

Audrey was the life of fourth period study. She plans to be a teacher. All of us agree she'll be the favorite of all her students.

D.E. Club

Alice Dean

Ally's way ahead of the rest of us in her plans for the future. Very soon we'll be adding Mrs. in front of her name.

Richard Dennis

With his lively wit and musical ability Dick was one of the campus favorites. Someday he will be the leader of a big name band.

Delphics; DeMolay; Adv. Band 1, 2, 3, 4,; National Honor Society.

Katherine Crowley

Kay plans to be a stenographer and with her sweet personality, we're sure she'll have no trouble finding real happiness in this work.

William Austin Cull

A salesman in our midst! After two years at J.C., Bill plans to finish his education at Bradley University. At SHS he was an active member of the band.

Band 1, 2, 3, 4; Pill Rollers.

Patricia Dauner

In addition to being one of the prettiest girls in the class, "Dunny" is also one of the most active.

A cappella 2, 3, 4.

LeAlice Dempsey

LeAlice was the studious type, and also lots of fun. She plans to be a nurse and we know she'll be tops as always.

Donna Dickerson

Donna was one who always brightened things up. Cute and witty she had everyone entranced with her charms.

Rainbow Girls.

JUNE SENIORS

Charles Dickinson

Chuck is another of those "outdoor boys" who would rather be out in the wide open spaces than in a classroom.

Top Deck; Advanced Choir.

John Dunn

With his sunny disposition John will easily become an outstanding executive in the advertising field.

Delphics; SHS Rifle Club; "Slice It Thin."

Elizabeth Dye

"Liz" had a quiet way and sweet smile that made everyone like her.

Jr. Les Bas; Sr. Les Bas; A cappella 3, 4; Modern Language Club; Mariners.

Mary Emmet

Though she'll be an efficient secretary in the daytime, we bet you will find Mary skating or dancing when the sun goes down.

Mary Lou Enslow

Lou's future plans are unknown but she really "knows her stuff" in tennis and swimming.

Jr. Choir; Girls Choir; Rainbow Girls; Nu Phi Mu.

Felicia Filson

Felicia's knitting became famous around SHS, even with the teachers.

Philo; Jr. Capitoline Staff; Freshman Class Treasurer; Charter Sub Deb; Entre Nous Sub Deb, president; Beaux Arts Court.

Leonore Dorman

Though "Lee" loves to be a "lady of leisure," we're sure she'll really be quite a useful lady.

G.A.A.

Shirley DuRall

A fun-maker with literary ambitions, Shirley plans a career as a secretary. She'll make some boss happy.

Philos; Rainbow Girls.

Edward Ely

Eddie is the kind that the more you know him the more you like him. He says his ambition is to operate a service station. We know he'll have many friends as customers.

DeMolay.

Virginia Engelman

Active in sports and an accomplished pianist, Virginia plans to be a secretary and then a housewife. She shouldn't have difficulty with either plan.

Robert Eschenfeldt

We're sure Bob gained much valuable experience as co-art editor of the Capitoline, and we know that the book really benefitted from his excellent ideas and drawings.

Sr. Capitoline Staff, co-art editor.

Clara Jean Forman

Before Jeannie takes that life time job of being an ideal housewife, she plans to be a stenographer.

CLASS OF 1948

Betty Foutch

Her talented violin playing is sure to make Betty a huge success when she steps behind the footlights to play her first concert.

Jr. Les Bas; Sr. Les Bas; Adv. Orchestra 1, 2, 3, 4; Beau Arts Court.

Ted Foutch

Ted's interests in the National Guard and War Trophies seem to point towards his future in military life.

DeMolay.

Jack French

Although Jack came to SHS in his senior year, he was one of our most valuable basketball players as well as being a grand guy.

Basketball 4; Baseball 4.

Eric Fritzeen

Eric's super sense of humor made him an all-around swell guy as is proven by his large circle of friends.

Adv. Band 1, 2, 3, 4; DeMolay; Sky Ranch; Football.

Phyllis Frost

Her pleasing personality and winning smile is surely an asset to Phil. She plans to attend Monmouth College to study.

Rainbow Girls.

Les Gagnon

Leslie is the strong silent type when it comes to telling his plans for the future, but we know he can't miss in whatever he does because he has such an appealing personality.

Cafeteria Council; DeMolay.

Myrna Gannon

Myrna's admirable ambition to be a missionary or religious youth leader deserves a hand from all of SHS.

Jr. Les Bas; Sr. Les Bas; National Honor Society.

Armand Genewitch

There is nothing Armand would rather do than participate in a good debate. He made all his points convincing too.

Lynette Giblin

Lyn is definitely interested in music and is an accomplished pianist. She was quite prominent in social activities while attending SHS.

Modern Language Club; Hob Nob Sub Deb; Sept Huere Sub Deb, vice-president; Beaux Arts Court.

Shirley Gifford

Vivacious "Mickey" has a winning smile. With her terrific personality she will surely be a successful stenographer.

Modern Language Club; Charter Sub Deb; Pic Wic Sub Deb, secretary.

Norma Jean Shoulders

Fun loving Norma has many friends in high school and we wish her many more when she becomes a typist.

Lois Sears

Lois enjoys "having a good time." She will have reached the goal she sets for herself in following the field of Business Administration and Commerce.

National Honor Society.

Juanita Sewell

Juanita, in her quiet way, has made a place for herself at SHS that will be hard to fill in the future. We all know she'll make a good beautician.

Doris Lorraine Sinclair

"Shorty" has her bid in for a certain sailor whose house she plans to keep nice and neat.

Jr. Les Bas; Sr. Les Bas.

Arlan Slack

Bud's the "joker" in every crowd. He kept us in a panic during his four years at SHS.

Wranglers; Student Council; Pill Rollers; DeMolay.

Larry Spiller

Witty Larry kept his classes laughing with his clever remarks. The "$64 question" is where did he get the nickname of "I spy"?

Senator Staff; Basketball 4; Pill Rollers.

Annabelle Stalling

Annie's going to make a mighty pretty secretary for some lucky boss. She'll be plenty good at it, too.

Student leader, G.G.; Sky Ranch.

Harry Solomonson

With his sense of humor "Gopher" should have little trouble fulfilling his ambition "to live the life of Riley."

DeMolay; Sky Ranch.

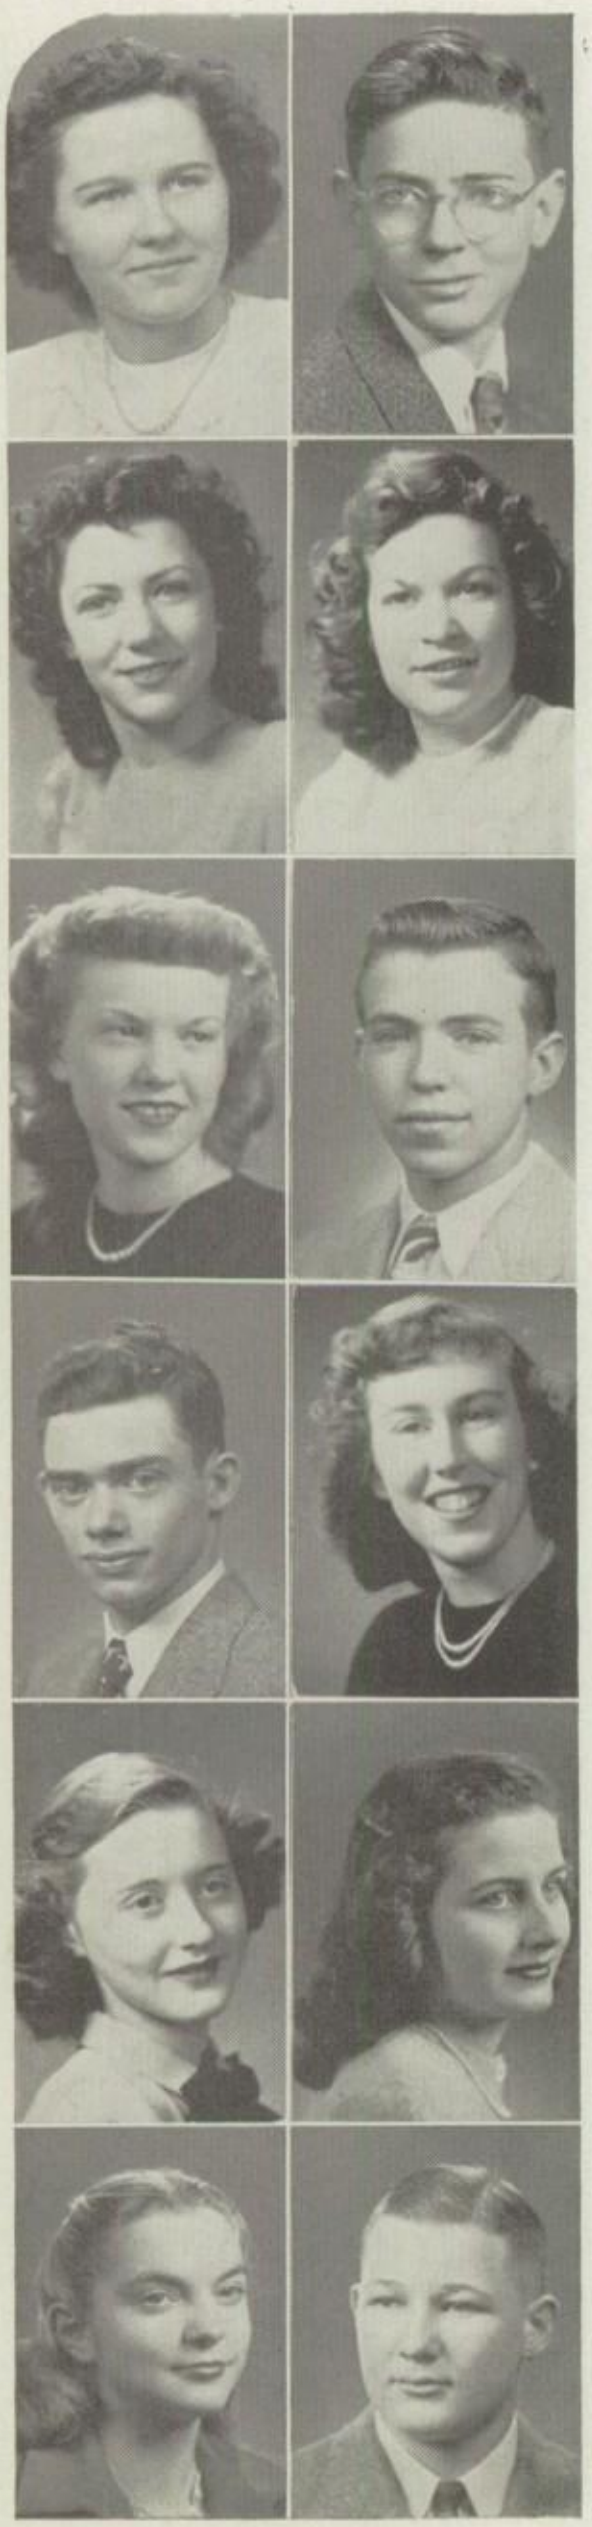
Evelyn Staab

Ahbee always looked as if she had just stepped of the cover of "Junior Bazaar." She was the rushed senior photograph editor of the Capitoline.

Jr. Les Bas; Sr. Les Bas; Jr. Capitoline Staff; Sr. Capitoline Staff, senior photograph editor; Hob Nob Sub Deb; Student Council; Sept Huere Sub Deb, president; Beaux Arts Court; Prom Court; Class Play, assistant director; Student Day Counselor.

Betty Steinhauser

Betty has many friends in school who shared her interests and activities. We wish you the best of luck in the future, Betty.



Esther Stevens

Esther is another girl SHS has a right to be proud of; for she plans to study at the Kansas City Bible College. Perhaps she'll be able to bring her music in her future somewhere.

A cappella 3, 4.

Joyce Stone

Joy will make some lucky man a good wife for she's a whiz at sewing.

D.E. Club.

Marlene Sullivan

Although Sully is planning to be a stenographer, she has other interests besides those of typing and taking shorthand, for she likes to swim and ice-skate.

Jim Thomas

Jim's friendly smile and radiant personality have won him loads of friends and he's sure to keep on winning them at the U. of I. medical school.

Delphics, vice - president, president; Adv. Orchestra 1, 2, 3, 4; Springfield Symphony Orchestra; DeMolay; Pill Rollers; Student Day Counselor.

Since their entrance into Springfield High School, the students in the present Junior Class have been an integral part of the school life. Their energies and talent have been devoted to the time when they must accept the full responsibilities of their Senior year, as well as the responsibilities of manhood or womanhood.

They are now on the threshold of their final year of high school, and soon will take up the reins of student government, thus setting the example for the underclassmen.

Continued maintenance of a high scholastic standing and participation in the school's athletic and social functions, have made these Juniors capable and eager to meet the coming year successfully.

Thus, to this zealous group of third year students, we are happy to wish a most successful and memorable Senior Year.

Listen my children and ye shall hear of the most wonderful class in many a year. Under that benevolent sun which never sets on the widely scattered alumni of Springfield High School, there is nothing so conspiculously insignificant as the Sophomore Class.

There are no longer any traces of the first year "braggadocio." They have discarded the unknowing impetuousness of freshmen youth. Instead, they are preparing to tell the world—and a credulous faculty—that the class of'50 will be a paragon of virtuous attainment as seniors.

In fact the past year's record would indicate that there is some basis for such a boast. Individuals of the class have excelled in every aspect of campus endeavor, including athletics, club initiations, and scholastic records.

With so many outstanding qualities the complete success of the Sophomore Class is inevitable.

SOPHISTICATED SOPHS EXCEL AS SCHOLARS

Joyce Aarup, Joe Adamson, Ronald Adkinson, Marilyn Aitchison, Helen Allen, Eldon Andrews, Donna Antle.

Valerie Argue, Virginia Arneson, Leona Atchison, Jeanne Aurelius, Joanne Aurelius, Don Bailey, Polly Bancroft.

Among the ranks of the large student body of Springfield High is a group of young students who have taken more of a beating from upperclassmen during the last nine months than any other group.

Everyone knows the group as the "cooties"—those still dreamy-eyed newcomers who are more politely called Freshmen.

Even though the first couple of weeks proved to be hectic, and the life at SHS was new, the freshies still managed to push forward and gain laurels in the line of athletics, scholarship, and yes, even social functions.

There are many big times yet to come to the class of '52 before they don those caps and gowns. But with so many outstanding personalities the freshmen of this year will prove to be another highly successful group of grads when that great day comes in 1952.

STAFF SPENDS NINE MONTHS PREPARING

THE CAPITOLINE STAFF

The Capitoline is now completed and in your hands. Now the Staff can rest in peace and recover from the tremendous task of recording all the historic events of Springfield High School for the year 1947-1948.

The Staff started its work early in the school year by choosing the theme of the book. To start our publicity campaign the Capitoline Staff presented an assembly based on our circus theme. Through the

EDITORIAL STAFF - - - HINES, SCHLIPF

hard work of the publicity editor and the business managers the campaign was a success. Soon after the campaign the freshman, sophomore and junior editors were busy with picture appointments. Then the time came for senior pictures. All during this time the sports editor and snapshot editor kept bringing in more and more material. Of course, the assistant editors were busy with write-ups and the Editor in Chief was busier than anyone else keeping us busy. Mr. Furry, our

advisor, was very patient and cooperative with all of us.

This book has taken up most of our time during our senior year, but we have accomplished a great deal to make this year's Capitoline a bigger and better book! Besides the many usual attractions that are found in the year book we have added a few more. Many of the members of the faculty agreed to have new pictures taken this year. For this year we have added a page to acknowledge the stars of the senior class. The sport section has been increased from the usual sixteen pages to twenty-four.

Most of the members of the Staff were taken from last year's Junior Capitoline Staff. The Junior Staff publishes yearly as a subsidiary of the Capitoline, the Student Directory. By compiling this popular publication the students gain valuable experience for their future Capitoline work.

DIRECTORY STAFF BIG-WIGS

The Junior Capitoline Staff is a hard-working group of Juniors, who are interested in learning the business of publishing our school yearbook. Next year, it will be this staff who will be in charge of the Capitoline publication.

Every week meetings are held and the Juniors discuss some important phase of the publishing business. Sometimes Seniors speak at these meetings, and discuss what their job is on the Senior Capitoline Staff. In this way the Juniors learn something about the qualifications and duties of a student on the Senior Staff.

Besides learning what next year's work will be, the Juniors also sell the advertisements for the ever popular student directory, thus making its publication possible.

The Juniors' help to the Senior Staff in staging the annual Capitoline assembly and in selling the acknowledgments for the yearbook, made it possible for the Senior Staff to give all of its time to this year's Capitoline.

Because of the tremendous amount of help this group gives the Senior Staff, it is evident that the Senior Staff would have a difficult task without the assistance of the Juniors.

Hail to the long suffering pledges! Those girls wearing the big blue hair ribbons and pushing pennies with their noses are potential Les Bas Bleus members.

The junior group of Les Bas Bleus was established a few years ago to accommodate the large number of girls who desired to join this popular club. In order to become a member of Junior Les Bas, a girl must be at least a 10[1] in standing and have a 3.5 grade average. A goal of 100 points earned from participation in various club activities must be reached to enter Senior Les Bas.

The group had a very active year filled with such outstanding activities as the Mothers' Tea and the party for the senior division. Under the capable direction of Miss Neblick and Miss Zimmermann there were many interesting programs composed of musical discussions on various topics.

The Junior Les Bas Bleus contributed generously to many welfare organizations, thus helping the less fortunate. They helped to make the Christmas and Spring Les Bas dances great successes with their work and enthusiasm which so characterized their fine year.

MISS WILSON
Adviser

The Les Bas Bleus have due reason to be called one of the leading organizations in Springfield High School. This year's excellent social and welfare record is proof of this.

Under the fine direction of their adviser Miss Wilson, who is a former Les Bas member, an interesting program was planned with the spotlight focused on the fall and spring picnics, the parties entertaining the Junior Les Bas Bleus and the Philos, and the Mothers' Tea. A style show was presented, showing the latest fashions in informal and formal attire. The meetings displayed variety and uniqueness with themes ranging from music to beauty hints.

OF CHRISTMAS SEASON • • •

The Christmas dance, "The Holly Hop," held in the Armory, was an outstanding event of the Christmas season. Proceeds from this dance were given to the Vachel Lindsay Association to help further their work. Another dance held in the Spring proved to be equally successful. The two dances were well attended by the students. Both the Springfield Friendship Train and the Red Cross received generous contributions.

The objective of promoting leadership and a sense of responsibility was well met through each club member's efforts and cooperation.

MISS GIESEKING
Adviser

This year the Philos have mixed successfully the educational phases of school life with the more social aspects.

They began the year the Sunday before school started with a garden party in honor of all sophomore girls. This party gave the prospective pledges a chance to meet the active members outside of school. The results were a fine group of pledges who took the abuses of their "big sisters" with a smile.

The Philos met every other Tuesday, and were provided with varied programs. On the educational side the girls were presented with a book review of a current novel and an instructive talk on diamonds by one of Springfield's leading jewelers. Each Philo also took a vocational test which told her where her interests lay and gave a choice of occupations in accordance with these interests.

Along the entertainment line were the joint meetings with the Les Bas; each club acting as hostess. Also outstanding on the year's calendar was the Mother's Tea at Christmas time. An impressive program depicting the

Biblical story of the Nativity was presented, followed by a tea. In January the Philos again entertained the sophomore girls and initiated another large group of new members. The annual alumnae banquet was held again this year, giving the old members a chance to hear what the active club was doing.

Of course, Philo's dances were among the most successful of the year. In February at "The Gibson Girl Dance" the girls' gym was decorated with one of the most clever themes seen in a long time. The Philo graduation dance was the perfect climax to the excitement of commencement exercises.

Philos gave generously to charity during the year; donating to the Community Chest and the Friendship Train. They also provided a needy family with Christmas dinner.

Miss Inez Gieseking had the full cooperation and respect of the club in accomplishing her very successful job as "the guiding hand" of Philos.

Starting off the school year by painting the fences at the football field, the Wranglers held up their usual high standards of service and leadership throughout one of the most active and successful years in the club's history.

As usual the "Bon Fire" was held to stimulate school interest in our home football games. This very popular event was soon followed by a football homecoming dance—"The Gridiron Hobble."

As the Christmas season and its whirl of dances came along, the Wranglers gave one of the first and finest dances of the Yuletide season. The Christmas dance was very heavily attended and thoroughly enjoyed by all.

During the second semester the club energetically entered into another host of activities, starting off with the Wrangler-Delphic Dance, which was soon followed by the Basketball Banquet.

Of course the next social activity of the Wranglers is a very famous affair around SHS. That is the Barn Dance, which was truly one of the greatest social highlights of the season. And as the semester came to a close, the Wranglers climaxed their very active school year with their annual Father and Son banquet, at which time the officers for the ensuing year were selected.

MR. GWIN

Striving for greater service to SHS and the city of Springfield, the Delphic Literary Society has just finished a most successful year. Beginning with a lively group of pledges, they joined in pledge week activities with plenty of vigor. The pledge hayrack ride was held at the close of pledge work to give the poor sophomores a rest from their tortures. An outstanding service rendered to the school by the Delphics was the sponsorship of the "Lucky Number" programs at the football games and some basketball tilts. In November, the Cornstalk Splinter, although oddly named, was one of the best attended dances of the year.

The club also donated generously to the Friendship Train campaign, thus showing starving Europe its fine spirit.

The Delphics and Wranglers dropped their friendly rivalry long enough to cooperate in presenting the Basket Ball, which was a fitting celebration for our victory over Decatur.

Janet Schuck reigned royally as Miss Shamrock when the Delphics presented their seventh annual Shamrock Shuffle. The dance was heralded by an intense publicity campaign, which included dropping advertising leaflets from an airplane.

Of course, as customary, the Delphics held their amateur show. Talent from the student body entertained during the assembly, with an award for the winner.

The year closed with the Spring banquet at which the new officers were elected. Mr. Gwin was the well-liked Delphic adviser.

THE STUDENT COUNCIL

The Student Council, always one of the outstanding organizations in Springfield High School, has every reason to be proud of a most successful year. The social season was launched by the Council's dance, "Cactus Capers," attractively planned around a Mexican theme.

In order to introduce both new and old students, "Howdy Day" was sponsored. The highlight of the day was a party held in the gym as a freshmen mixer. The Council worked hard to set up the Inter-School Student Council and still hopes an organization such as this can someday be established.

Many of the Council members attended the Pekin District Conference, which took place at Macomb. Those who made the trip found it highly profitable since so many excellent ideas were acquired from members of other councils present.

Under the very capable leadership of the advisers, Miss Bundy and Mr. McQueen, the twenty-six Student Council members have worked hard towards making this year one of the best in the Council's history.

MODERN LANGUAGE CLUB

The Modern Language Club is an organization for both French and Spanish students. The purpose of this organization is to promote fellowship between the two groups and to practice speaking and understanding modern languages.

The club has had many interesting programs this year. At Christmas time the members celebrated in Spanish style with a pinata. Both Spanish and French plays have been given and a cookie sale was held. The Modern Language Club has accomplished a great deal under the supervision of Miss Ronca and Miss Mathews.

To be eligible to join the Modern Language Club one must be a member or a former member of either a Spanish or French class and have a 3. average in all academic subjects.

The Cafeteria Council is recognized as one of the most active and best organized clubs of SHS. It functions under the able leadership of Miss Rita Devlin assisted by Miss Alice Powers. The members of the council efficiently perform their job of providing well balanced meals to a large body of students on three short lunch shifts.

Excellent service is given by the members who start to work at the bottom and advance according to effort and ability until they reach the coveted position of checker and cashier. The Cafeteria Council is the only club that gives financial aid to its members. They are paid about one dollar an hour for work in the cafeteria.

To become a member one must qualify scholastically. He must also possess a pleasing personality and a friendly attitude. The members gain practical experience and business training. Meetings of the club are held bi-monthly on Friday mornings in room 14. Officers are elected each semester and new members are initiated at an informal affair twice a year.

The council is partially a social club with its main events of the year being the Christmas and Easter breakfasts. At Christmas time the council donated a large basket to a needy family.

MODERN METHODS

The Future Farmers of America activities at Springfield High School during the past year have shown, as heretofore, achievement and progress.

It is the only club that carries on its work and regular club meetings during the summer months. Each member carries on farm projects and keeps records. Sports, also, have their place with the F.F.A. They have a fine softball team.

By enrolling in Vocational Agriculture a boy is eligible for membership in the F.F.A. Mr. Armstrong, the adviser, is to be commended for the fine job of organizing the SHS Chapter and making it such an outstanding success.

Students who finish the course are prepared to enter the agricultural world as farmers or in national service as leaders of Farm Bureaus, Farm Unions and many other community enterprises where their leadership will be needed.

RIFLE CLUB GETS FLYING START

This year saw the birth of a new organization here at SHS, that has already made great strides towards being one of the leading school clubs.

This group is of course the Rifle Club which was started last Fall. The boys get together every Tuesday night at the YMCA rifle range where they conduct a short business meeting under the supervision of Mr. Petefish, faculty adviser. Then they spend the rest of the evening practicing on the range under the watchful eyes of Mr. Howard Diller, instructor.

This year's group, which is made up exclusively of members of The National Rifle Association, plans to recruit more boys and continue with the fine training program they have so successfully undertaken this year.

THE SENATOR

The Senator, Springfield High School's bi-monthly newsheet, although only in its second year, is a healthy and husky youngster and is favorably holding its own with other school publications. Quill and Scroll, a National Honorary journalistic society accepted The Senator and many of its staff writers as members.

Miss Margaret Wilson is the staff adviser. Her journalism class capably handles the task of gathering, writing, editing, and publishing the four page paper. On special occasions, such as at Christmas and at graduation time, six and eight pages have been published. Sub-

scriptions from the students and faculty cover the cost of printing.

By changing the editorship of each issue all students gain the experience of being the "chief" and the satisfaction of putting their thoughts and ideas into words for others to read. While a writer cannot be made by a school course, the experience does tend to develop a keener intellect and a better understanding of school affairs.

The out-going staff thoroughly enjoyed their work and associations and feel sure that the new group will ably carry on, and that The Senator will grow in interest and popularity in the year ahead.

BAND PRESENTS SERIOUS

The boys in the red and black uniforms and their director, Mr. G. W. Patrick, comprise the best known of the music department organizations. Year after year the Springfield High School Band has been one of the best playing, best marching high school bands in the state.

The band played host for the first assembly of this year and was on hand to inspire the players and spectators at both football and basketball games. While stirring our teams toward victory, the band often scored a victory itself. Such was the case when it thoroughly captivated the crowd in Decatur with its ever popular conga.

Although the band as a whole did not enter the District Contest, a clarinet trio, brass sextet, cornet trio and a sax quartet were winners in the district meet and went to the state contest at Peoria Central High School.

The climax of this successful year was the annual formal concert which was given late in May.

THE ORCHESTRA

A visitor or student approaching the auditorium during the sixth period is greeted by selections ranging from Gould to Bach. The orchestra is an organization which Springfield High School can hold in well-deserved high esteem.

The eighty-five piece group presents two concerts a year, one in the winter and one again in the spring. Their success and popularity justified the large attendance at each of these performances. The student body enjoyed the assembly presented by the orchestra in February. The program included numbers that appealed to the individual taste of each listener, thereby furthering enjoyment.

The orchestra's activities are not necessarily confined to Springfield alone. In February a selected group attended a three-day String Conference at the University of Illinois which proved to be a challenge and thrilling experience to those who went. In the Spring a similar group attended the Big Twelve Music Festival conducted at Champaign. April 10 found the entire orchestra assembled for the District Contest at Petersburg, the entry of which was a new adventure for the musicians.

The orchestra has completed a highly successful and satisfying year under their capable director, Mr. Constantine Johns. The enthusiasm and cooperation of both the students and their instructor have resulted in a fine active calendar.

MISS HAUSEN

Director

Perhaps the most outstanding public relations group for Springfield High School is the Octet, which has just completed its fourth successful season. Under the skillful direction of Miss Margaret Hausen, these talented students have represented our school before thousands of Illinois citizens attending conventions in our city.

Students having the opportunity to appear in this group, which is before the public so often, develop poise and personality, polished performance, and stage etiquette in addition to receiving valuable musical experience. This indeed contributes a great deal toward a well-rounded education.

Among the many cultural groups the Octet has entertained this year are the Lions, Lionesses, Optimists, Junior Chamber of Commerce, Springfield Classroom Teachers, The Kings Daughters, The State Library Convention, Illinois State Rural Education Conference, Convention of Nurses of Illinois, The County Institute, and the Y.M.C.A. Roundup.

The Octet also appeared before the student body in the Christmas assembly, the Orchestra Concert, the A Capella Concert, and in their own Spring assembly. To these eight students and their hard working director go the praise and admiration of the entire student body.

ENSEMBLE MAKES SUCCESSFUL DEBUT

ENSEMBLE—Nancy Rynearson, Bob Erickson, Jeanne Blandin, Elizabeth DePew, Pat Tilly, Tyler Haynes.

Making its successful debut in the field of music this year, the newly organized Ensemble has already proved to be a valuable asset to both the Springfield High School music department and the city of Springfield.

The group was created to represent the orchestra before the more select audiences where it would be impossible for the entire body to play. All members of the Ensemble are members of the Springfield High School Orchestra, and four are also members of the Springfield Symphony Orchestra.

Since actions speak louder than words, let us look over the accomplishments of this very active group.

The Ensemble played before the Optimists Club, the Lincoln-Douglas Association for teachers at the Y.W.C.A., at the Governor's Mansion for the Daughters of the Nile, for a grade schoool P.T.A. meeting, and several times for the P.T.A. of Springfield High School.

Two special events were also on the agenda. First, the Ensemble went to a State High School String Instrument Clinic at Champaign. While there the members played in an orchestra of over one hundred high school students from all over the state. Dr. Joseph E. Maddy, director of music at Camp Interlochen in Michigan, directed this orchestra. The ensemble also gave an individual demonstration for the Clinic.

About a month after their trip to Champaign, the Ensemble traveled to Petersburg to take part in the District Contest. This brought to a close the first highly successful year of the Ensemble of SHS.

The A cappella Choir, under the capable direction of Miss Margaret Hausen, offers experience to SHS students interested in the singing of choral music. The members of this organization are students who have shown outstanding ability in other choirs or have come on the high recommendation of their previous director.

This year the choir was quite active and fulfilled a very successful program. The choir presented two very enjoyable concerts, one in January and one in May, both of which received a great deal of well deserved praise. In December the choir furnished the beautiful background music which set an appropriate atmosphere for the Christmas assembly. As a fitting

end to its season, the choir sang at the Awards and recognition assemblies in June. These and many other public appearances kept the SHS A cappella busy throughout the entire school year.

One of the biggest and most exciting events that the choir participated in was the Big 12 Festival which is held each year. This year the Festival was held in Champaign where the A cappella, the Octet and selected members of the SHS Orchestra took part in the program.

Although many fine singers will leave the A cappella choir in June, it will still be sure to shine as a great tribute to Springfield High School.

It is only natural that in a school of this size there are a great number of students who are intensely interested in doing choir work. In order to keep the A cappella choir a well balanced group and to give ample opportunities to the younger students who were interested in choir work, Miss Hausen formed the Junior Choir in the spring of 1946 as a feeder group for A cappella.

The Junior Choir is composed of about sixty-five boys and girls who are working toward admission to A cappella. In this preparatory group students learn choir procedure, work for breath control, and learn to read their parts. The choir sings both accompanied and A cappella. Let it not be thought that this group does all its work in a classroom. The choir has sung for Springfield High School P.T.A. meetings and has appeared with the A cappella in the formal concerts each semester.

In the fall of 1946 a third choral group was formed to take care of the large number of requests for membership in A cappella. This group is the Girls Choir which carries on about the same type of work as the Junior Choir, except with different personnel.

Most of the members are Freshmen or Sophomores, but some Juniors and Seniors have remained in the Girls Choir because of program conflicts which would not allow them to enter A cappella. Like the Junior Choir, this group provides vital experience needed for A cappella. The girls train their voices and learn to read parts. Even though they do not perform for groups outside our school building, the girls get excellent experience in choir procedure. The choir has performed for P.T.A. groups in our own school and has appeared with the A cappella Choir in both the January and the Spring Concert.

NATIONAL HONOR SOCIETY

This large group of people may look normal but actually they are the brains of the senior class. They have the distinction of being elected to the National Honorary Society. Not more than fifteen per cent of the graduating class can become members of this organization. The requirements for membership are a general average of B during the entire four years of high school and the equivalent of four A's and two B's as semester averages in at least one major subject. The National Honor Society emphasizes scholarship, leadership, character, and service. Our chapter of the society was organized in 1934 and is now under the chairmanship of Miss Sadie Clapper.

Senators Tie for City Title

Springfield High School played a highly successful football season which ended up with the Senators turning in a record of five wins, two losses, and two ties which brought them half ownership in the city title.

In the Big 12 race the Solons had a rather erratic start which caused them to drop the first two contests to Decatur and Peoria Central. But the boys bowed back by knocking off Bloomington and Lincoln and tying Streator in the season's finale.

The red and black scored a total of 122 points to their opponents' 84. This record was possible mainly through the efforts of Captain Charlie Glisson, who played center position for his third year, and Jim Duda, hard driving fullback, who was elected by his teammates to captain the squad next fall.

Springfield opened the football season successfully by downing Peoria Woodruff by a score of 8 to 0 on the LHS field. In the first quarter Woodruff fumbled behind their own goal for a safety. In the final period Duda carried the ball on six successive plays, picking up fifty-seven yards and six points.

The Springfield gridmen played their first city league game against the Feitshans Flyers. The Southsiders scored the first points by virtue of a thirty yard pass. In the final canto Duda sprinted twenty-three yards for a touchdown. The attempted conversion was not good and the game ended 6 to 6.

The second city league game ended more favorably for Springfield when they downed Cathedral 14 to 0. In the opening minutes the Solons blocked a Cyclone punt on the fifteen yard line and after five plays and two penalties, Duda drove seven yards for six points. Wiesenmeyer kicked the extra point. In the second period Joe Gibbs flipped a pass to Bramlett who then ran twenty yards for a touchdown, Wiesenmeyer again booted the point.

SHS gained a tie for the city title with Feitshans by dropping Lanphier 13 to 7. Berning scored the first six points when he grabbed a Lanphier fumble in mid-air and ran forty-one yards untouched. The kick for point was not good. Lanphier, aided by two penalties marched forty-three yards for a touchdown and the try for point was good. In the final quarter Lanphier again fumbled and Glisson recovered. Berning scored after two tries and the extra point was not good.

In their first Big 12 contest SHS received the worst licking a Springfield team had taken from Decatur since 1920. Decatur marched seventy yards the first time they had the ball to take a 7 to 0 lead. Springfield came right back as Duda drove seven yards to score. Decatur added seven more points in the third quarter as the result of a fifty-three yard run.

HALT SOLON'S PASSING ATTACK

The Reds rally went to work in the first period by running up nineteen more counters to make the final score 33 to 6.

The Senators dropped their second Big 12 game of the season to Peoria Central. Springfield led 7 to 6 with only six seconds left in the first half when a Central back broke loose for forty yards to make the halftime score read 12 to 7. With one minute left in the game Central drove ten yards to score after Peoria blocked Wiesenmeyer's punt.

SHS returned to winning form at Bloomington when they defeated their Big 12 rivals 20 to 0. Bramlett scored after a sixty yard drive in the first quarter and Wiesenmeyer kicked the extra point. Gagnon scored on a thirty yard run in the third period. Wiesenmeyer again converted. In the final canto Berning went fifty-six yards in a series of plays before scoring on a twenty yard run. This time the kick was not good.

Springfield roared over their second Big 12 rival in a row by trouncing Lincoln 35 to 7. On the fifth play of the game Duda swept forty-five yards to a touchdown and Wiesenmeyer converted. Two minutes later Duda went through the center of the Lincoln line for sixty-two yards and another six points. Early in the second period SHS gained another two points when Lincoln fumbled behind their goal. Bramlett plunged four yards for another score a few plays later. On the last play of the first half Hodde intercepted a desperation pass and sprinted seventy-five yards to make the score read 28 to 0. In the first minute of the second half Duda broke loose again and Wiesenmeyer kicked the extra point. In the final period Lincoln managed to score against the Solon reserves.

In their final game Springfield knocked Streator out of the Big 12 Championship by forcing them to a 13 to 13 tie. Midway in

the first canto, Streator scored on a forty yard run to lead 6 to 0. In the second period Slack passed to Farley for twenty yards and on the next two plays Duda went thirty-two yards for a touchdown and Wiesenmeyer kicked the extra point to put the Senators into a 7 to 6 lead at halftime. In the third canto Duda recovered a fumble on the thirty-five yard line. Gagnon, Duda and Bramlett carried the ball to the one yard line from where Slack plunged over. Wiesenmeyer's attempt for the extra point failed. In the last frame Streator scored and kicked the extra point to end the game with the final score of 13 to 13.

Basketball had the new look at SHS this year. The team had a new coach, new home floor, and new uniforms. Herb Scheffler was the new coach and all the home games were played in the Illinois State Armory. The team had a very successful season; they won 19 games and lost only 6. Bob Greeley, star center, led the team in scoring as he averaged 15.4 points per game. Bob was awarded the WTAX "Most Valuable Player" award at the end of the season.

Jack French, a senior and transfer from Fairfield, played a very fine defensive game and also was so cool headed that Mr. Scheffler selected Jack to act as game captain in all our games this year.

The Senators opened the season by downing Clinton by a score of 52 to 47 on the armory floor. Don Brown was the big gun for Springfield as he hit 17 points while Greeley tallied 10.

SHS won their second straight by dropping University High of Normal to the tune of 62 to 48. Twelve Solons added points to the total. Bob Greeley was high with 22 counters and Jack French scored 13.

In their first intra-city game Springfield grabbed a thriller from Lanphier in the final 10 seconds. Don Brown hit two long shots in the final seconds to clinch the game. Greeley and Glisson each hit for 11 points to lead the scoring parade.

The Senators downed an undefeated Athens quintet by a count of 40 to 27 as they won their fourth consecutive contest. The Red and Black were led by Bob Greeley as he dropped in 8 points.

Tilden Tech of Chicago was the fifth victim of the Scheffler crew in a very slow game. Springfield led all the way but Tech made things hot in the final minutes. Glisson hit 10 points as SHS won 33 to 27.

The Red and Black carried off their second city league game by downing Cathedral 50 to 43. The game was hard fought and marred by an excessive number of fouls. Greeley led the winners with 18 points.

The Senators traveled to Streator for their first Big 12 game. They won their seventh in a row by a score of 44 to 31. French led in pointmaking as he garnered 18 markers. Streator was the only team to defeat Pekin in seasonal play.

Lincoln became the first team to defeat the Solons this year as they racked up 44 points to 32 for the losers. Only

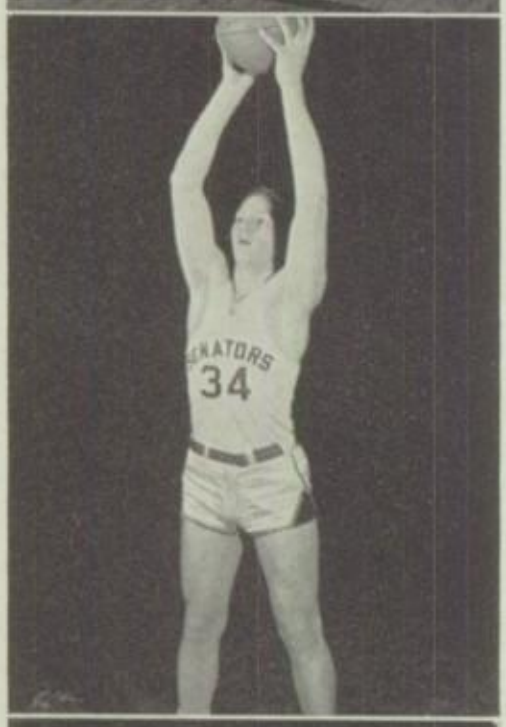
four Senators could score, but Greeley was hot as he dumped in 23 points. It was a Big 12 contest.

Springfield returned to its winning ways by knocking off Taylorville 42 to 32. Greeley controlled the rebounds and flipped 17 points through the wicket.

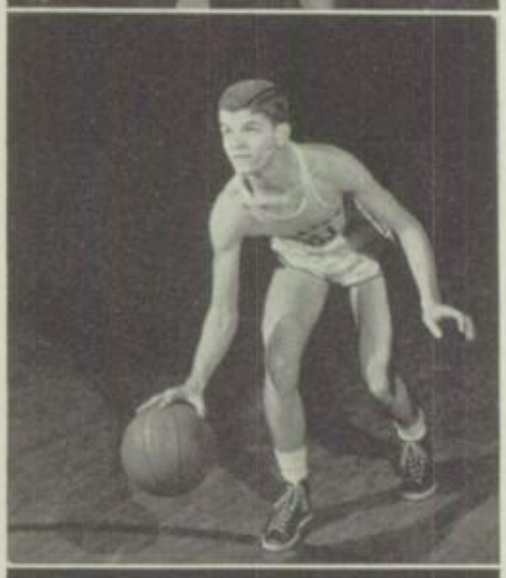
The Senators copped another Big 12 win by whipping Bloomington 49 to 37. Springfield led all the way and was never threatened after the first half. Greeley scored 12 points and French, Farley and Glisson hit for 8.



SLACK

A trip to Vandalia resulted in SHS's second loss of the season as they ended up at the short end of a 41 to 38 score. Greeley and French led the losers with 11 points each.

A win over Feitshans netted the city crown for the Solons as they won 65 to 41. Trailing 16 to 11 at the end of the first quarter Springfield got to work to lead 28 to 24 at the half. Charley Crain was high point man as he totaled 12 counters.



D. BROWN

Springfield dropped a bitterly fought contest to Decatur 41 to 32 at Decatur. The game more resembled a football game as four players were ejected for unnecessary roughness. Decatur led 29 to 28 when Greeley and French were removed along with two Decatur players. Greeley topped the locals with 11 points. It was Springfield's second Big 12 loss.

BLAKEMAN

The Solons lost their second game in as many nights as a Peoria Woodruff rally nipped their lead in the closing minute. Woodruff racked up 43 to the Solons 41. Greeley and Don Brown led with 14 and 10 points respectively.

The Senators continued their slump as they dropped their third game in a row to Peoria Central, a Big 12 rival. Central pounded out a 56 to 35 win.

Bloomington lost their second game to SHS by a score of 40 to 37 in a Big 12 game at Bloomington. Springfield led all the way and halted a determined Raider rally in the final canto. Greeley hit 16 points to again lead the winners.

The Senators walked off with their 12th win as they downed Jacksonville 55 to 36. SHS led 24 to 7 at the first quarter and 45 to 25 as they started the final period. Greeley hit 21 points and French added 13 for the victors.

Springfield was red hot in the final period as they again downed University High of Normal by a count of 46 to 33. With the score tied 20 to 20 at the beginning of the final quarter SHS hit 26 points while holding U. High to 13. Greeley hit 26 points.

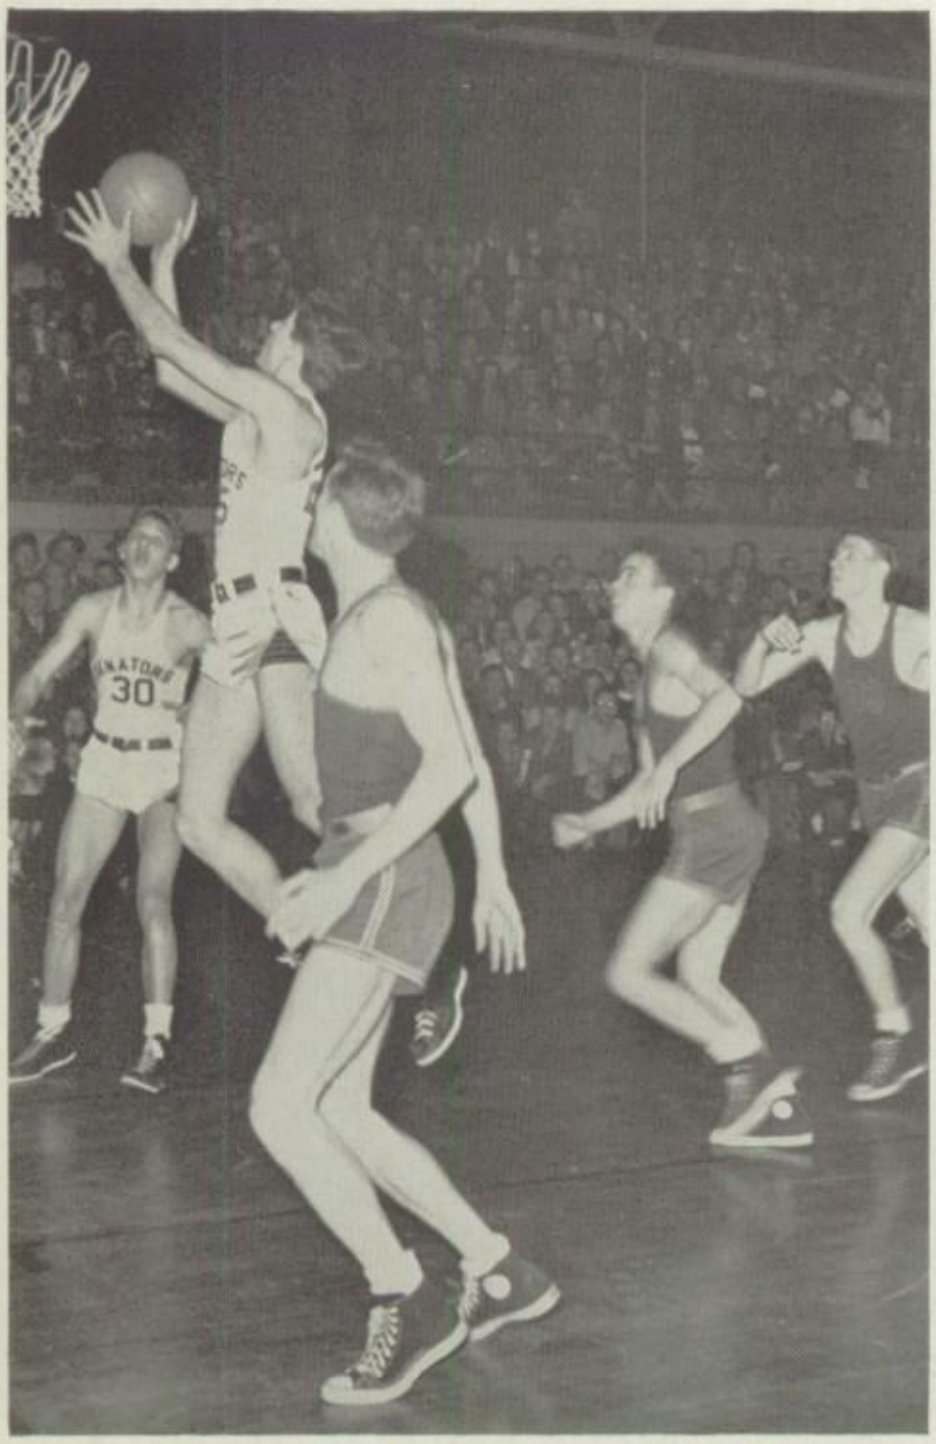
The Senators took their fourth straight win as a result of accurate free throw shooting. Hillsboro outscored SHS from the floor but could only collect 3 free throws while Springfield dropped in 12. French was high with 14 points and made 6 free throws without missing any. Greeley had 13 points, 5 of which were free-throws. The final score was 34 to 31.

FRENCH SCORES AGAIN

Springfield played their finest game of the year as they downed Decatur 48 to 34. The armory was jam-packed to watch SHS gain sweet revenge on their arch rivals. Decatur led 9 to 7 in the first period, but weren't in the game thereafter. Greeley and French scored 16 and 13 points respectively.

The Senators avenged another loss as they dropped Lincoln 59 to 43 for their 16th win. Greeley was big gun of the evening as he pumped in 31 points.

CATHEDRAL CLOSES SHS CAGE SEASON



THIS WAS THAT
FATAL CATHEDRAL GAME

Springfield won their seventh in a row as they tamped Mt. Pulaski 52 to 33. SHS started fast, rolling to a 20 to 6 first quarter lead. The Red and Black defense functioned perfectly throughout the contest. Greeley added 26 points to the total.

The Solons concluded the regular season by trouncing Peoria Central 59 to 46. Springfield led throughout the game in which they avenged an earlier loss. Greeley again was high point man as he dropped in 22 points, French and Glisson each scored 12 points.

Springfield met Feitshans in their first regional game at Lanphier. Springfield was never in trouble as they went on to win 43 to 23.

After winning nine consecutive games, Springfield was knocked out of the regional tournament by an aroused Cathedral five which went on to the State Tournament where they won their first game and lost their second contest to the state champs. The game was close throughout the first half. Cathedral finally won 46 to 36. Three men on each team fouled out of the rough contest. Greeley and French each totaled 10 points to lead the scoring.

FOURTEEN TRACK MEETS

The class meet was the first track meet of the year. A well balanced Junior team scored a total of 73 points while the Seniors gained 67½, the Sophomores 26½, and the Freshmen 10. Berning won the 100 and 220 yard dashes and the shotput for the seniors. Woods added 10 points for the seniors by taking the mile and half mile runs.

The SHS cindermen copped their first contest of the year from Kincaid 74 to 39. They won nine firsts and swept three events. Berning was the star of the meet as he won the 100 and 220 yard dashes, anchored the winning relay, and took second in the shotput. Slack was a double winner as he took both hurdle events.

Springfield won their second meet in a triangular affair with Pana and Tri-City. Springfield showed 76⅔ points, Pana 48 and Tri-City 12⅓. Berning copped the 100, 220, shotput, and anchored the winning relay. Alde of Pana won both hurdle races and the high jump. Siders of Tri-City, who later became state champ in the 880, won both the 440 and 880.

The Red and Black finished behind Decatur 77½ to 36 in the Pana Relays. Berning copped two of Springfield's

firsts as he set a new record of 10.2 seconds in the 100 and also won the 220. The only other SHS win was in the relay. Bramlett picked up points in both hurdle races, Herndon and Cavanaugh placed in the 440, Darden in the 880, Woods, Carrier and Devey in the mile, Triebel and Kennebrew in the high jump, and Vance in the broad jump. Siders of Tri-City again won the 440 and 880.

In the Peoria Quadrangular, Peoria Central grabbed first with 50½ points, Canton second with 43, Springfield third with 24-5/6, and East Peoria last with 16⅓. Bob Woods was Springfield's only winner as he took the mile in 4:43 and the 880 in 2:05.4. Coleman of Canton broke Dick Gibbs' pole vault record by vaulting 11 feet 4 inches. Bramlet, Darden, Vance, Bill Woods, and Honn were other point getters for Springfield.

The Red and Black took their fourth city track title in a row as they racked up 61½ points to Lanphier's 40, and Feitshans' 36½. Four records were broken and one tied. Moffitt of Lanphier broke his own mile record, Bob Woods broke the 880 record with a time of 2:04.7. Berning running his first races since having the flu broke his 220 record and tied his 100 yard dash record. He won the

220 in 21.7 and the 100 in 10 flat. Both of these times were the best times of any state prep this year. Griffith of Feitshans broke the discus record.

Decatur again topped Springfield, this time in the Lincoln Relays by a score of 86 to 63. SHS won the 440 and 880 yard relays. Bramlet, Phillips, Vance, and Berning compose the winning teams, Larsen also won the pole vault. In the Freshman Sophomore division, Springfield won the medley relay and Honn won the pole vault.

Springfield romped over Feitshans in a dual meet by a score of 80 to 33 in a final tuneup for the district meet. Springfield won ten events, sweeping three of them. Feitshans swept the discus event. Berning was the only double winner as he took the 100 and 220.

In the district meet at Kincaid SHS was edged out by Pana 27 to 26. Several records were broken. Moffitt of Lanphier broke the mile record, Berning tied

his 100 yard dash record of 10.2 seconds, the relay team broke the record with a time of 1:34.7. Siders of Tri-City broke the 880 record, and Staples of Carrollton broke Gibb's pole vault record. As a result of this meet Berning became eligible to run the 100 and 220 at the state meet, Darden the 880, and Woods the mile. Berning pulled a leg muscle in the meet.

Springfield downed Lincoln 69 to 44 in a warm up for the state meet, Berning won the 100, but because of his injured leg could not compete in the 220 or relay. SHS swept the high hurdles, 880 yard run, high jump, and broad jump.

Springfield, last year's runnerup in the state meet, was unable to score in the state finals this year. Berning's leg injury prevented him from running in the semi-finals or relay. Darden and Woods failed to place in their events.

The Big 12 meet scheduled for May 22 was too late to make the printing date.

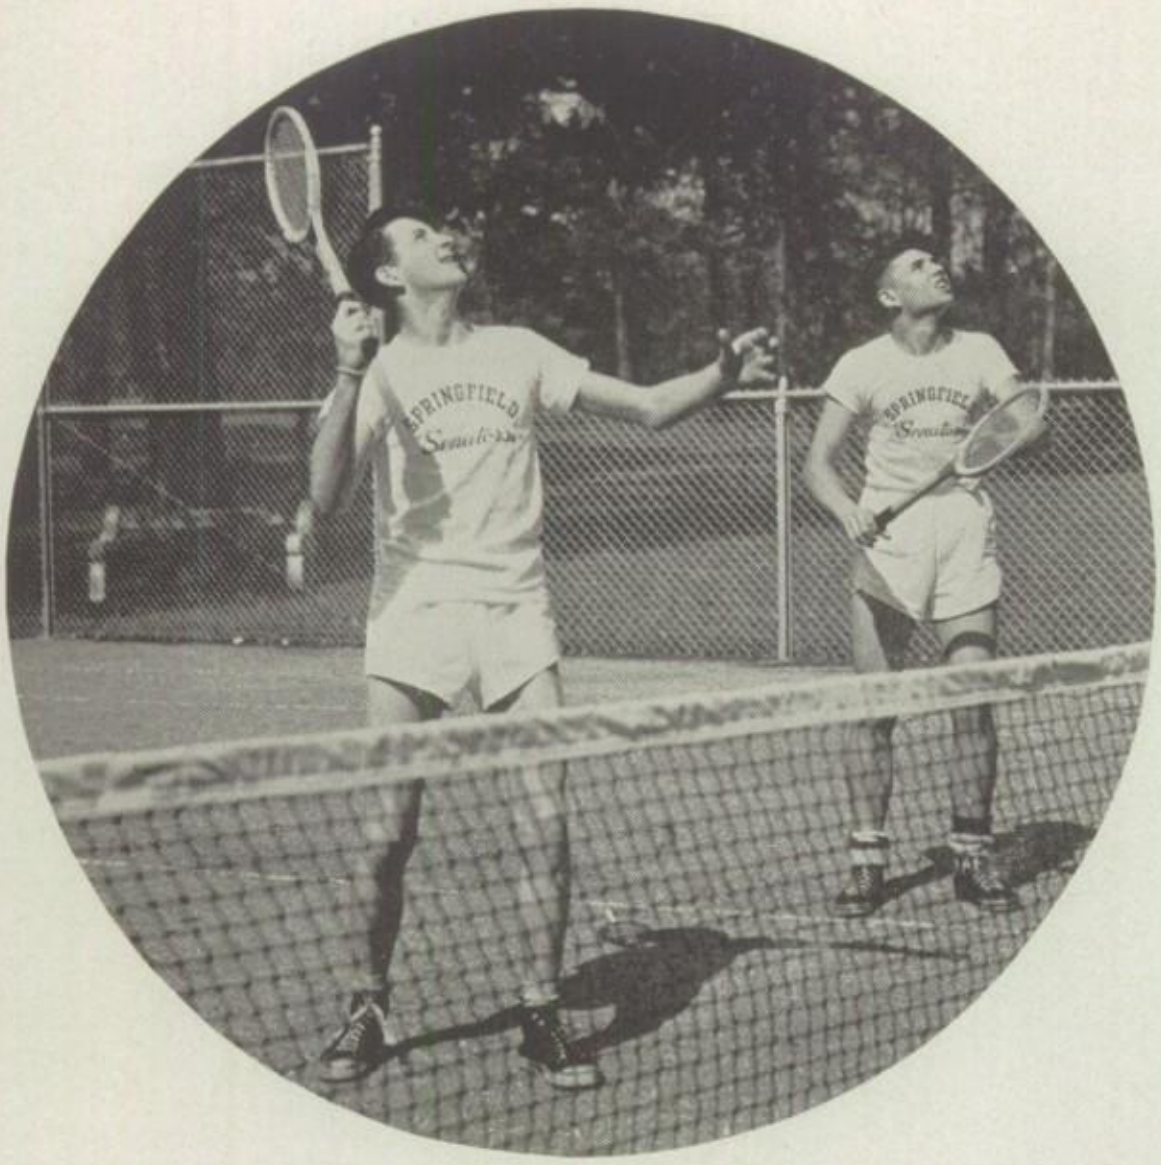
TENNIS



CANNON AND HELPHINSTINE, NO. 1 DOUBLES TEAM

Tennis is one of the minor sports at SHS which has an active following. As in golf, Mr. Roellig made use of the ladder system to select his squad. In this system the boys draw numbers to determine their positions on the ladder. Each boy plays the one above him on the ladder. With each victory the players move up one step. This year's team was composed of Wendell Hahn, Dick Cannon, John Greenleaf, Burton Irwin, Leon Helphinstine and Jim Means. In the district meet at Decatur the team tied for second with Decatur, but failed to qualify any members for the state meet. As in the case of the track and golf teams, the Big 12 championship was held too late to publish the results. Although hampered by cold rainy weather most of the season, the squad demonstrated fine play and sportsmanship.

GOLF

Golf is one of the most popular spring sports at SHS. There was a large turnout for the golf team again this year. Mr. Roellig chose the team by the ladder system. The boys nearest the top, or shooting the best scores at tournament time were selected for the team. Each evening the boys held their matches regardless of weather, which was mostly wet. In the district golf meet Springfield High was the defending champion and again carried off the title. In this meet Don Wolaver, Charles Glisson, Don Brown, Charles Olinger, and Bob Ordeman qualified for the state meet. Two of these boys, Glisson and Brown, were also on baseball and track teams respectively.

In the state golf meet the Red and Black linkmen finished eighth. The Big 12 meet was too late for publication in the Capitoline.

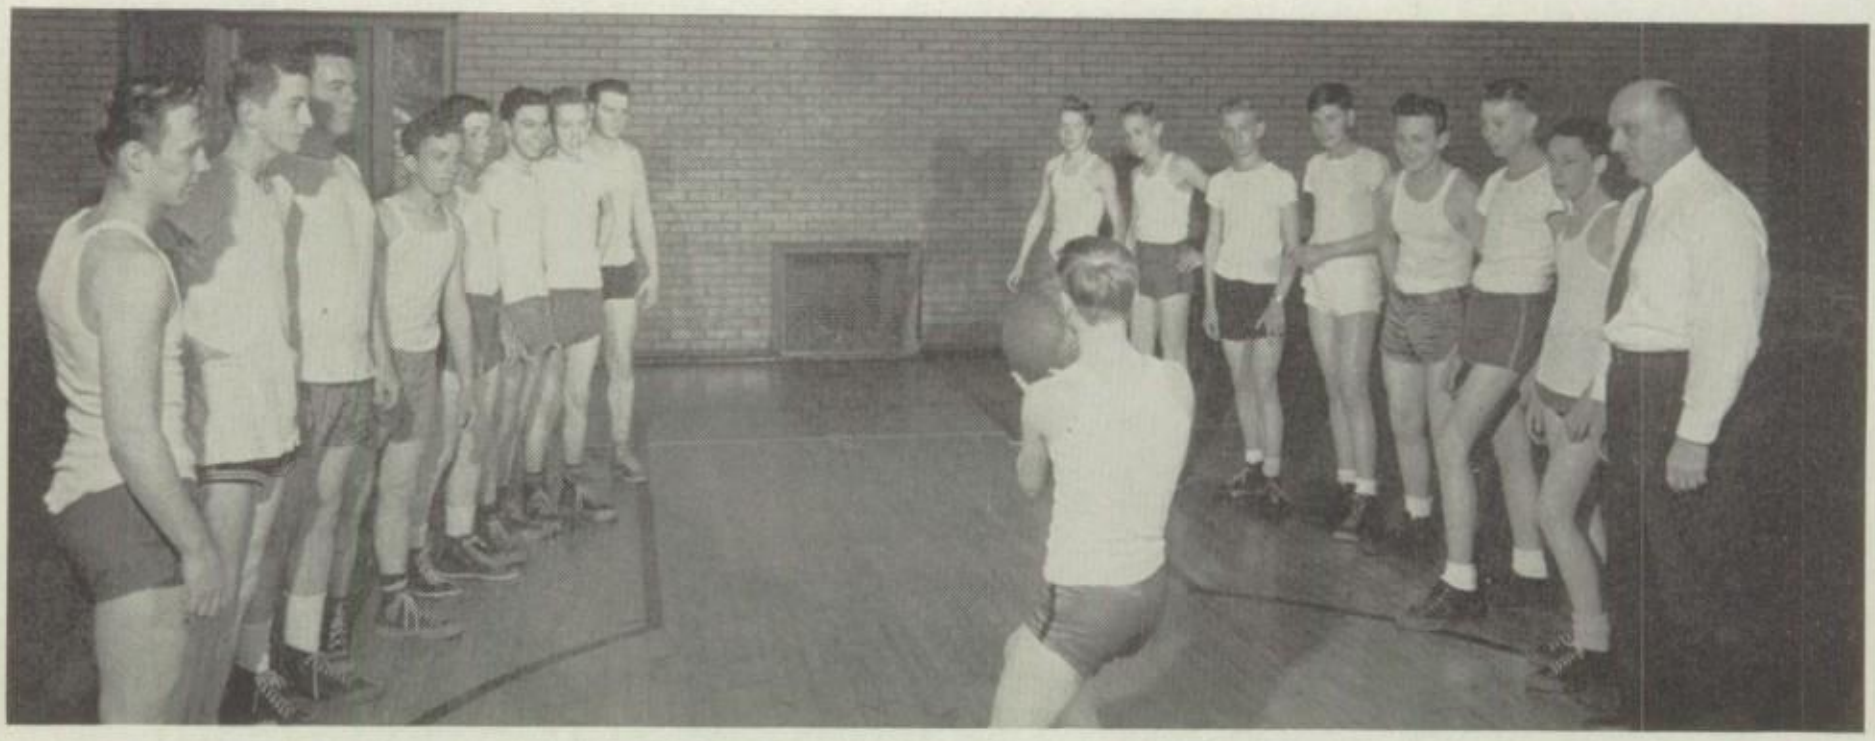
GYM CLASSES TRAIN FUTURE STARS



MR. ROELLIG GIVES A FEW POINTERS

The gym classes at SHS serve a twofold purpose. The main purpose is to insure the nation of a healthy citizenship for the future and the other is to instill the spirit of good sportsmanship and team play in all the students. The gym classes offer a wide range of activities for boys and girls. The boys' gym classes include such outdoor activities as softball, touch football, and track; and such indoor sports as basketball, volleyball, boxing and wrestling. Whenever the weather permits the classes go to the athletic field for training. In the girls' gym classes such activities as basketball, volleyball and kickball are participated in. Each semester tournaments to select the championship team of each sport are held. Special or 6th period gym is available for the boys out for the various athletic teams. This class enables them to start practice at 2:15 instead of after school.

Mr. J. L. Sanders

Mr. Jesse Sanders is the man behind the scenes of all athletics at SHS. As business manager for the athletic department he never has a dull moment. It is Mr. Sanders who has to arrange all the ticket sales, publicity, seating, contracts with other teams, and buying of new equipment. He has all these duties besides teaching mechanical drawing. His duties became so extensive this year that he had to have a telephone installed in his room. He did an excellent job in his handling of the sectional basketball tournament.

BOTTOM ROW: Mike Bartolomucchi, Dale Hatfield, Charlie Glisson, Ken Davis, Jack Towers, Keith Lacy, Eddie Leonard, Dick Mills, Lyle Lipe, Evert Rush, Mr. Scheffler.

Mr. Peterman

For the first time in almost twenty years the SHS basketball team was not coached by Mr. Mark Peterman. Mr. Peterman, considered the dean of high school basketball, gave up his coaching job to Herb Scheffler, his former student, and his athletic director post to Mr. Roellig. Pete, who will always be remembered for his great Springfield High School basketball teams, devoted his time to instructing gym classes. He has taken 11 teams to the Illinois State tournament, more than any other high school coach.

The baseball team, coached by Herb Scheffler, had a successful season. They had won 4 and lost 4 when the Capitoline went to press. Cathedral downed SHS in the opener 6 to 1 as Engelking pitched. In their second start the Red and Black squad whipped Niantic by a score of 22 to 4. Brittin was the winning pitcher with Engleking and Otto sharing the mound duties. Feitshans handed SHS their second defeat 3 to 2. Hatfield did the pitching. Petersburg was the next victim as they dropped a 4 to 0 contest. Engleking pitched this game for SHS.

In the district tournament Springfield defeated Lanphier 2 to 1 with Hatfield pitching. Cathedral dropped SHS out of the tourney in an extra inning game. The score was 4 to 3.

After the tournament Cathedral again beat Springfield 15 to 4 in a five inning game. SHS won their fourth contest by defeating Feitshans 12 to 6. Two more games with Lanphier remained on the schedule when the Capitoline went to press.

FRESHMAN FOOTBALL

The Freshman football team captured the city crown this year with a record of five wins and one loss. They scored 89 points while holding their opponents to 19. The Red and Black squad won their first game from Feitshans by a score of 20 to 0. Cathedral was their next victim by a count of 7 to 0. SHS won another when they beat Lanphier 9 to 0. Their only loss was to Feitshans by a score of 13 to 7. The frosh downed Cathedral a second time by a score of 26 to 6. The final game of the season was played as a preliminary to the varsity game with Streator. In this game they trounced Lanphier 20 to 0. The squad showed excellent team play and a superior brand of ball.

PUP BASKETBALL

The pup basketball squad this year was composed of freshmen and sophomores. Coached by Herbert Scheffler, they played a full schedule of games. They played preliminary games for all the home varsity games and made several road trips with the varsity squad. Their win-loss record was impressive. They dropped several of their games by margins of only one or two points. In most cases the teams that provided the competition were composed of junior varsity teams and even second string varsity squads. The squad is really designed as a training ground for future varsity material and this year's team showed signs of excellent future material for SHS cage squads.

CHEERLEADERS SPUR TEAMS TO VICTORY

CHEER LEADERS

Keeping up the morale of the teams and their supporters during both victory and defeat was the job so successfully carried out this year by Marianne Halpin, Leon Helphinstine, Roy Heidemann, Roberta Pelham, Barbara Raisch, Beverly Swanson and Joan Knight—the Pep Squad of Springfield High School.

Desirous of increasing school spirit, these seven willing workers were always on the job whether it was a rainy night on the football field, a basketball game in the Armory, an out-of-town game, or one of the numerous pep assemblies held at the High School.

Special thanks are due to Marianne Halpin, the head cheer leader, and to Leon Helphinstine, who will not be back at Springfield High School next fall.

Our hats are off to this indispensible group who have led the student body in cheering our teams to victory.

Our Diary

SEPTEMBER TO JUNE 1948

SEPTEMBER

3—Oh, No. Now I have to get used to wearing shoes again! We've all dreaded this day since June. You guessed it—School started.

6—Well, sweep out the Rose Room. The Pill Rollers are presenting a back-to-school dance.

9—I love the turmoil that reigns at business meetings. Let's hope the Philos and Wranglers accomplished something at their first meetings today.

10—For some strange reason I couldn't go to the Pill Roller Banquet, but they say the food was good anyway.

11—Well, what do you know, we're having assemblies this year! The Student Council gave the first one today. The Delphics and Senior Les Bas also initiated a new year.

12—The secret ballot system in SHS is really fascinating. More ballots are checked along the walls than in the booths. Student Council members were elected today. The first football game here had a happy ending—SHS, 8; Peoria-Woodruff, 0.

19—Ahah! Came the City Battle! At least we didn't lose. The score— SHS, 6; Feitshans, 6.

20—Many cowboys and gay senoritas attended the Student Council's Cactus Capers.

23—My memory isn't that good, but I'd be willing to bet that it rained for the Philo initiation picnic.

25—After quite a brawl, they managed to burn the "Delphic" at the Wrangler Bonfire tonight. Well, say now! Another assembly! This one stirred up pep for the football season.

26—Are we good, hey! Our third straight victory was over Cathedral, 6-0.

29—"Scrub the front hall with a tooth brush, pledge!" Girls pledge week begins.

OCTOBER

2—Say what gives with all the ties? This time it was a 13-13 deadlock with Lanphier which reminds me that we are co-City Champs now! Our honor is shared with Feitshans.

3—The sharp reasons some people have to get out of class! This time it was a confab of January graduates in the auditorium.

6—Some folks had garlic and raw eggs for lunch today. Could Boys' pledge week have anything to do with it! The January Seniors held special class elections today.

9—A holiday no less! All thanks go to the County Teachers Institute.

10—Still no school! At least the band looked sharp at Decatur. The score? Decatur, 33; SHS, 6.

11—The Wranglers chose a very appropriate name for their dance—"The Gridiron Hobble."

14—After all the electioneering and parading about, I hope you didn't forget to vote for your class officers today.

16—The Capitoline assembly was better than a Circus. (Ahem, that's a pun, son!) After than Mr. Peterman showed us how girls would play the next day's game.

17—Are you sure it was only raining violets? Peoria Central **swam** to an 18-7 decision here. Regardless of straight hair and wet feet, everyone went to the Sept Huere dance afterwards.

18—I caud cowd las nide, bud still wend to the annual Delphic Haywrack Ride tonide. Well, Gazundhidt (or however you spell it) to you, too.

21—Prospective Thespians of the January class held a meeting today.

22—We were all deprived of the joys of the library today because the Annual School Library Conference for Central Illinois was being held there.

23—Put up your money, people. The Capitoline drive ends today. For once, I don't think it rained for the Les Bas initiation picnic.

24—Bus rides are fun in the rain. We went to Bloomington to see our team win 20-0.

25—Leave it to the Pill Rollers to give a good dance. This time it was the Goblin Glide.

27—Egad! Surely we can't be flunking everything! (We got our grades that is.)

31—Did you have a safe and sane Halloween? The Lincoln game was postponed until Monday. Yes, it's still raining!

NOVEMBER

3—Ah, sweet victory, SHS came out on top again. Lincoln had 7—we'uns had 35.

STINK CREEK

4—Gee maw, what's an assembly? Today the Roamers gave us a splendid answer.

6—A unique pep assembly was staged on all three lunch shifts under the auspices of the World Problems Class. (This has been a paid political announcement.) Our last Football game was a 13-13 tie with Streator.

7—No, those boys aren't practicing for track next spring; they are running for dear life. The Orchestra sponsored Sadie Hawkins Hop is tonight!

10—Such busy people we have in this school. The June Seniors and the Juniors held business meetings today. Tonight we are all going to hear about Vachel Lindsay. (It says here in small print.)

11—I'm told to be wordy and witty, but surely these next four words will suffice—Armistice Day—no school!

14—School was dismissed at 2:30 so that we might hear the matinee performance of the Marine Band.

17—Don't faint fellows, skin tests don't hurt.

19—Today everyone is comparing left arms. Why not let the doctor decide whether or not your test was positive?

20—A large and attentive crowd attended the first concert of the Springfield Symphony Orchestra in our auditorium this evening.

21—The Delphics certainly had an original name for their dance—"The Cornstalk Splinter."

25—Springfield High is now invading the field of radio. The Public Speaking class went on the air during the assembly today. P.S. Just one month until Christmas!!

26—The clock watchers set 2:30 as their goal today instead of 3:10. There are more class meetings around here. Today the Sophomores had their turn.

27—Was your Pill Roller man tall and lean? Even if he were short and fat, the Annual Pill Roller Thanksgiving dance was the climax of a perfect holiday.

28—Again, we had no school! The ever-popular Hob Nob Homecoming Hop followed our first Basketball victory over Clinton 52-45.

AH! BEAUTIFUL AUTUMN

DECEMBER

2—Pity the members of the Football squad who went out for Basketball. They had to skip their share of the turkey at the Football Banquet tonight. We defeated University High of Normal, 62-48.

3—Those January Thespians tried out again tonight for their play.

5—Don't cry about your grades, people. Bring them up to a D next term and you can still pass! Tonight was the unforgettable Lanphier game that left us hoarse and breathless but mighty happy. Oh, yes, the score was 43-41 our favor.

6—Doughnuts, cokes and a juke box added zest to the bingo and dancing at the June Seniors' Class Party.

9—Actress Martha McCain entertained us with interpretations and readings and charmed us with a pretty face and the "new look." We won our first out-of-town game from Athens, 40-27.

10—If you thought the bells were all off schedule today it was because the Freshmen were taking tests. Those lucky children!

12—The Chicago teams should stick to their old rules of not playing teams outside their city. Tilden Tech fell to our five tonight, 33-27.

14—The Chorus Classes did a swell job as usual today in presenting their annual Christmas Cantata. The students aren't the only ones in a holiday mood—the faculty had a Christmas party tonight.

17—Cathedral realized to her sorrow that our team is ever the same—victorious—this time 50-43.

18—Beautiful costumes and effective lighting added to the excellent Christmas program put on by the A Cappella Choir this morning.

19—Say, our blades are real sharp! Tonight they went to Streator and brought home another victory 44-31. At long last—school was dismissed for the holidays.

22—We hope everyone had enough formals to last this busy season. Pill Rollers started things rolling with their annual Christmas Dance.

23—The Wranglers lived up to their great reputation by giving a highly successful Christmas Dance tonight, at the St. Nick.

24—Don't forget to hang up your stockings tonight.

25—Merry Christmas—everyone!!

27—The Les Bas Bleus hopped their Holly in the Armory this year. This was quite an undertaking, since it was the first school dance to be given there since before the war.

30—Charter members threw their Snow Ball at the Abe Lincoln tonight. Let's hope they didn't hit the doorman!

31—How many New Year's Eve parties did you attend tonight, or do you know?

JANUARY

1—Happy New Year! What time did you get in this morning?

2—Happy New Year again! We lost our first game to Lincoln 44-32.

3—The Taylorville game found us back in the old groove—we won, that is, 42-32.

4—Today is the day to do all that homework you saved for the holidays.

5—(Yawn)—School again, don't you all just **adore** fourth period study?

8—All this—and graduation, too. The January Class met in Room 14 to further their plans about the play.

9—Where did all these people escape from? I've never seen such a crowded game. We sat on the Bloomington side and watched them lose 49-37. DeMolay and Rainbows got together at the Leland for a dance afterwards.

10—Did you get in to see Spike Jones and His City Slickers? We had to settle for the Orpheum. At Vandalia we slipped again, 41-38.

13—Feitshans found our five too fierce and was forced to fall by a score of 64-41.

14—I'd like to ask if you liked the accompaniment for the A Cappella choir concert tonight, but I guess you are all too bright to let that pass. On second thought, I'm the dense one, they do have an accompaniment sometimes.

16—An assembly, actually! Our annual magician act came today. This tme it was the Campbells. A preview of the class play followed. Later Decatur played host (unhappy, foul day) and won 43-32. P.S. Didn't you just love the marvelous seats we had?

17—Perhaps the fellows were looking forward to twenty quarts of chilli and thirty-three quarts of milk; at any rate Peoria Woodruff won 44-42.

20—Ah, many of the stage-door Johnnies on hand tonight! The reason? Why, the grand premiere of the January Class Play, of course!

21—Again—"Love Is Too Much Trouble!"

22—The fact that they received their caps and gowns today made the January grads all the more anxious for that last mile to come.

23—Well—dry your tears, I know it is hard to take, but of I may be trite, "You can't win all the time." What game? Peoria Central, 56; SHS, 35. Don't quote me, but I believe this was senior skip day, too.

24—OOOOOh, such be-yoo-tiful girls! The January boys had very good taste in choosing the ladies of the court. The belle of the ball? Charming Queen Jane, who else?

25—I have checked my Capitolines for the last five years (I have been here that long??) and all they have ever said about this day is, quote, "Senior Class services were held in the First Christian Church," unquote.

26—Oh, Sob! Finals begin. (Unhappy days, these.)

27—Still more . . . . . .

28—Exams . . . . . !

29—Oh, those lucky, lucky people! Graduation day, doesn't that sound simply scrumptious? Well, give me one more semester and I'll be free, too.

30—Why, I ask you, why do they inflict such torture upon us?? I am sure that about all anyone did on this the last day of the semester was watch clocks and be lonesome for the graduates, but 'tis said every student must attend so many days of school a year.

31—For the last time, fellows, artists' pallets are too heavy!! Especially after clutching them for more than an hour! Many SHS students were on hand at the annual Beaux Arts Ball.

FEBRUARY

2—Oh joy, oh rapture, my last semester is born!!!

5—Today is the first of the four College Days. You don't know what College Day is? Well, that's when seniors interview representatives to find out what colleges won't accept them because they have too many veterans coming in.

7—Through some misunderstanding, the Sid Pip Dance ended up in the St. Nick Coffee shop! Cozy what? Before the dance, we beat Bloomington, but I don't know the score.

11—Unless I miss my guess, Hillsboro is the team with the be-yoo-ti-ful blond center. Looks are not everything though; we won this tough one, 54-51.

12—Thanks for the holiday, Abe. I hope your Friendship train which left today helps save many people from starvation.

13—Hah! Tonight we drank deeply in the sweet cup of revenge! What do I mean? That marvelous team from SHS defeated Decatur, 48-35. This joyous success put us all in a good mood to attend the First Annual Wrangler-Delphic Basketball Bounce in the Armory.

16—The DELICIOUS candy sold by the June Seniors was so popular that the latecomers on third shift were a little left out.

19—Again the Seniors trudged hopefully up to the Library to discuss college plans and possibilities.

20—Final Capitoline payments must be made by today—or else! Tonight we went to Lincoln to watch our team make amends for an earlier defeat. This time the score was SHS, 59; Lincoln 43.

21—A fine way to treat company! Mt. Pulaski pays us a visit, and what do we do? We defeat its team, 52-33. The Pill Rollers gave their annual Invitation Dance tonight; it was just as wonderful as usual.

WHERE'S ROOM?

22—Not being a local boy, George Washington did not have enough influence to get us a holiday on his birthday.

24—Well, pollywags and peanuts!! Do not drop your teeth, my friends, but we had an assembly today. It was a very good one presented by our Orchestra.

26—Get set, people, today is your last chance to talk with college representatives.

27—Peoria Central should have taken the 23rd of January as a word to the wise and stayed home tonight. We won again, 59-46.

28—Have you ever seen cupid caper? If you attended the Philo dance tonight, you did.

29—This is one of God's gifts to women—Leap Year Day! Did you propose, girls?

MARCH

1—March isn't the only one who can come in like a lion. Springfield came into the Regionals like a lion by defeating Feitshans 43-23.

3—Even in defeat we are mighty proud of our fine basketball squad. Cathedral won the third game of the Regionals 46-36.

6—There are so many dances in this school that it is hard for me to keep track of all of them. I believe Entre Nous was responsible for the one tonight.

9—Where there is food, there is bound to be boys from SHS. Tonight the Band entertained the P.T.A. fathers at a Pot Luck supper.

10-12—Many basketball-minded Springfield students helped to fill the Armory to over-flowing during the Sectionals.

12—Somebody—I say somebody . . . had a dance tonight! According to my notes, it was Sid Pip, but that was last month. Maybe you had better look it up in your own diary, I am confused as usual.

13—Sure an' there's no mistakin' who gave the dance tonight. It was the Blarney Bounce and all credit goes to the Sophomores.

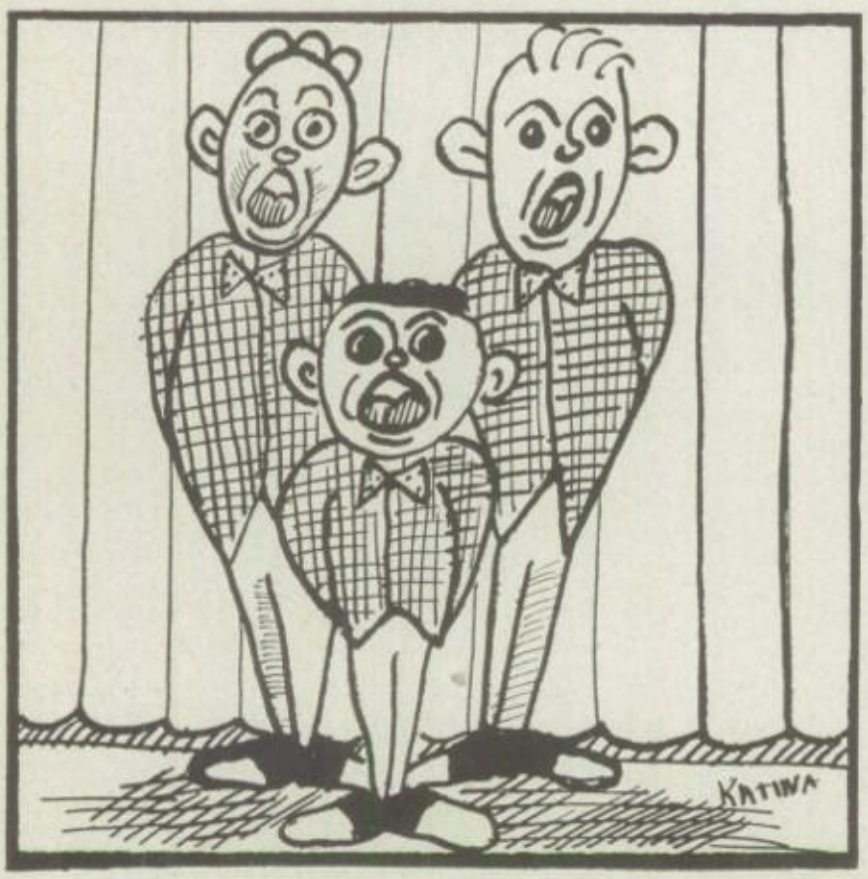
19—Grades have to close sometime; you might as well get the sad tidings next Monday as any Monday. Well, shades of Shannon, if it isn't the Shamrock Shuffle again. If you don't know who gives all the Shamrocks away, I'm not going to tell you.

22—Today the June graduates held a meeting. I must have been sleepy, I don't remember anything that happened in it. Efficient, what?

24—The cast of "The Rock" did an excellent job of a rather difficult play. I was proud to see that on the whole the student body reacted quite well to this religious drama.

25—The Junior Class held a meeting today, but since I am not a Junior I couldn't tell you what their purpose was. Every once in a while we get a delightful treat. Today's joy was getting out of school at 2:30.

DELPHIC AMATEUR SHOW



26—This being Good Friday, I wish I had the space (and the editor's permission) to write out a poem called "The Donkey" by G. K. Chesterton. Read it sometime if you can.

27—The Easter Pill Roller dance was probably last night instead of tonight, but since I'm not sure I shall resort to trickery to fill out this month.

28—I don't believe my Easter bonnet was very good material for a sonnet, but I did see some mighty interesting ones in Church today.

29—ffnf . . . . . uh? . . . . . what's that you say, a write-up for today? Oh, g'way and let me sleep; today is a holiday.

30—Holidays cannot last forever, especially for freshmen. They endured another round of Freshmen tests today.

31—Ah, Now we get back to sports again. All eyes were focused on the track as the season got under way this afternoon with the class track meet.

APRIL

1—No, I'm not an April fool, I act this way all year round. Many big jokers attended the Fool's Folly which the Juniors gave tonight.

2—The DeMolay-Rainbow Coronation Ball—whew! That is quite a mouth full! Queen Norma was quite an eyefull too. P.S. There was a teachers' meeting today and NO SCHOOL!

6—"Home Study—Should it be abolished?" The Junior Town Meeting discussed this subject today. To look at their grades, I would say some students have already abolished it.

9—The number of assemblies this semester is making it harder and harder for me to make wise cracks about their usual absence from this calendar. Today James Dutton and his marimba finally found the opening between the curtains.

10—Because I am a devoted follower of the SHS Orchestra (and because my friend is sitting here with a gun in my back saying please), I should like to devote a whole page to singing the praises of this splendid instrumental group for winning first prize AA rating at the district contest in Petersburg.

16—Which twins did Hob Nob Spin, Carrier, Klassen, or Aurelius? At any rate, the attendance and good-times-had-by-all prove that this was one of the most successful dances of the year.

17—The Senator lists today as the Delphic weiner roast, but "them as knows" tell me that it was a moonlight hike. Maybe they were one and the same; it sounds exciting either way.

19-26—This is Clean Up Week; how much did you win in that paper game last night? Ha, Ha, aren't I witty—No? Well anyway, keep the floors and campus clean.

20—Ho-hum, my watch says . . . . . oh! excuse me, I don't have a watch . . . . . well, as I was saying, the clock struck twelve midnight. This is a fine time for me to come across the note that reads "20-Symphony Orchestra Concert." Music always has a soporific (you'll get that one in 13) effect on me.

22—I dashed madly into the auditorium today in high hopes of seeing a lot of little amateur Delphics sitting around on display, but it seems I had the wrong impression of a Delphic Amateur Show.

24—It is a bear? Is it a porcupine? Is it J. Ham Lewis? No! It's Bramlet and his prize-winning beard! The Wranglers certainly had a big barn for their dance tonight.

26—Today I do not want to be witty. The World Problems classes found plenty of laughs in the park in Jacksonville, but after going through the State Hospital and the School For the Blind I have but one comment to make—Be it good or bad, I thank God I'm the way I am.

27—I left out the Wranglers Banquet on March 24, (for which I apologize most humbly). But I didn't forget my friends from Philo. This evening the Annual Philo Alumni Banquet was held at the Elks.

28—1st part "What has become of my pet canary called Enza?" 2nd part "I opened the cage and in flew Enza!" Think hard folks, it will dawn on you. All Mr. Aggertt had to say was "That'll do girls, thanks." I am talking about class play tryouts in case you were wondering.

30—Office slips were sent around today to inform the ten lucky Thespians that they had been chosen for the Class play. Office slips aren't the only ones being handed out; Monday we get grade slips which will probably shock a few Seniors into working. Lunch shifts were cut today for a short concert by the Bradley Choir. Indigestion, no less!

MAY

1—The fact that everyone practically drowned during intermission helped to make Pill Rollers a simply dripping success.

4—Oh fudge! (That's not supposed to be a cuss word.) I'm fairly drooling for a piece of fudge the Philos sold today.

5—I thi-ink the assembly today was a rah-tha ripping preformance by a man who set the jernt wild with his intoipretashuns of dialects and accents. Do you ken what I'm talking about?

7—Today all the Senior girls were wishing they were downstairs listening in on the Prom Court nominations and all the boys were wishing they were upstairs listening in on the election of a boy to crown the queen.

8—I could make a crack about the poor attendance at the Senior Class Banquet but why dwell on the dark side of life. For the large percentage who did attend, the food was delicious and the entertainment superb.

13—Spike Jones must have seen some of the beautiful girls from SHS. At any rate, he couldn't resist bringing his Musical Depreciation Revue back to Springfield for the second time this year.

14—The Forest Flowers probably will be flinging around before the night is over, knowing how well boys obey the "do not disturb" signs. All hail to the ring of May and all credit to the Les Bas Bleus.

15—I shall assume responsibility for any mistakes I have made so far, but today is the last deadline so I'm just guessing from here on out. Either the Delphics had a few weiners left over from April or they have mad passion for weiner roasts. State Track Meet in Champaign was held on the 14th and 15th.

16—Today was the climax of weeks of practicing on the part of the sophomores. The annual spring cantata was presented this afternoon.

20—This is a night all of us have been looking forward to. We haven't seen our band in action since the Basketball season. The Annual Band Concert is always a memorable event.

21—Chairs and cokes provided in the halls, an assembly in the morning, longer shifts, shorter study halls; sound like Utopia! It isn't though, it is Springfield High on Student Government Day. (At least according to advance campaign promises.)

25—Gee kids, are we ever gettin' cultured! Hardly a week goes by without a concert either at school or in the Orpheum. All kidding aside, I think it is wonderful, and especially wonderful was the A Cappella Choir Concert tonight.

28—Oh, this I like muchly! Rumor has it that roll will be taken at the Senior Picnic today. That won't keep us from having a big time on Skip Day, though. It is more than a rumor that there was a big time in the old park tonight. (A party that is!)

29—No matter how they change them, we'll remember the Queen and her beautiful court the way they were tonight. The Evening in Paris Prom was the climax of four long years of work and of social life.

31—A dozen roses to Mr. Bohn for getting us this holiday. After last week-end I'm sure Seniors were all too tired to come to school anyway.

JUNE

1—It took me a long time to figure it out, but there are only nine more days of school after today! The Springfield Symphony Orchestra had its third (or is it fourth?) concert tonight.

2—This is one assembly the girls won't want to miss. All the star athletes and the band and orchestra awards will be handed out. Did I leave out anyone?

4—I do hope that they didn't slice those hams so thin that they couldn't go to the Pill Roller dance after the class play.

5—Again all feet were turned toward the SHS auditorium to witness the greatest production in years, (plug) the Senior Class Play. In case you haven't guessed the name, it is "Slice It Thin."

6—The days seem to be just dragging along now. Will June 10th ever come? Today the Baccaloureate Services were held in the First Christian Church.

7—All praises be to the little beavers on the Capitoline Staff. (Conceited aren't I?) Today (we hope) for the first time since 1944, the Capitoline came out on time.

10—My, those people look nice up there on the stage—this morning was Recognition Assembly, tonight is the night; I don't think it will ever end, there is so much going on. After graduation the Philos presented their annual spring dance. After that there were many, many parties that lasted until June 11!

11—For once the teachers got rooked, they had to come back today but students didn't. Farewell, have fun this summer.

"Love is Too Much Trouble," presented by the January Senior Class, was greatly enjoyed by the two large audiences present January 20 and 21. This remarkable class will long be remembered by Springfield High School for its outstanding list of activities. The presentation of a class play by a January graduating group was heretofore unknown until this year. All of the class played a part in the production either by serving on a committee or by being in the cast.

The entire action of the play is in an eating place known as the Poison Pot which is the favorite meeting place of the students from Ivy Gate College. The time is just before the Junior Prom. Many complications arise for these students and the owner of the Poison Pot, but all are worked out after a great many blunders much to the enjoyment of the audiences.

"SLICE IT THIN"

JUNE CLASS PLAY

STANDING: Mr. Aggertt, Director; Ahbee Staab, Jim Mueller, John Dunn, Pat Barr, Norm London, Nancy Lawrence, Nancy Werner, Jackie Braverman, Lyle Whitledge.
SEATED: Janet Schuck, Stu Robinson.

The June Senior Class play was presented June 4 and 5 to enthusiastic audiences. Many seniors worked hard and long to make the play such a glowing success. The various committee members faithfully carried out their duties, while the cast gave generously of their time and abilities. The time and effort were well rewarded by the praise the audiences bestowed upon the production.

The play centers around the Coleman family: a stage-struck daughter Carol, a songwriting son Ben, and an ageless mother affectionately known as "Herman." The Colemans play host to a varied assortment of guests ranging from a fading movie idol to a mad Russian actress. Complication upon complication present themselves, among them being Elvira who is a sweet young thing from the south who attempts to snare Carol's admirer. Herman finally succeeds in bringing about a happy conclusion to the merry mixup.
